Baptismal Preparation in your Parish (Code of Canon Law, c. 851; Catechism of the Catholic Church 843)

In order to respect your request for the baptism of your child, you are invited to follow closely the stages of preparation offered below: Contact your parish office and express your desire to have your child baptized. Introduce yourself to the parish priest if you do not already know him personally. Open yourself to the invitation to actively join the faith community of your parish. If you are not registered parishioners, please consider becoming involved in the prayer and celebration of the Sunday Eucharistic community.

You will be invited to participate in some manner of faith formation prior to the baptism of your child. This may take the form of a meeting(s) with the pastor, for a baptismal preparation session for parents. It is extremely important to take your faith-life seriously because, before God, you have taken on an awesome responsibility for the salvation of another—your own child! Your commitment and openness to baptismal preparation will help develop the faith-life of your child as they mature.

Other Information (Catechism of the Catholic Church 857)

Are you living in a parish other than the one in which you wish to have your child baptized? You are required to take your Baptismal Preparation in the parish in which you reside and then receive a testimonial letter from your Parish Priest to have your child baptized in another parish. This requirement respects the reality that pastors normally have sacramental jurisdiction only over their own parishioners. Therefore, when one seeks a sacrament outside of one's parish, the proper pastor's permission is necessary. Furthermore, the invitation to connect with one's own proper parish first is founded on the hope that the faith-life of the family and of the one(s) to be baptized will be lived in community and not in isolation.
