LIGHTLY USED UNIFORMS

Second-hand uniforms are available at no cost from the clothing rack at the bottom of the stairs in the main school entrance, just outside the main locker area. Consider donating lightly used uniforms to this collection as your child outgrows his/her uniform items, and feel free to select any items of clothing for your child to wear in the current or upcoming school year. As you browse, take, or leave clothing, please help us to keep this area tidy.

<p>See Parent/Guardian Handbook for policies pertaining to the uniform code (e.g. rationale for uniform, violation of uniform code).</p>
