

Holly Alvariño Donaldson

Holly is a Raleigh native who earned her Early Childhood Education credentials in high school and went on to get a degree in Elementary Education. Holly has worn many hats, including preschool teacher, kitchen manager, organizer of an annual art show, and stay at home mom. As a preschool

teacher, she saw firsthand how the work of Project Enlightenment helped students, teachers and parents, and she was impressed with the unbiased and wholistic team approach taken by the staff. So, when she needed support for her son, Project Enlightenment was her first choice to assess his needs and provide the resources he and the family needed. Her experience both as a teacher and as a mom seeking resources to help support her child fueled her desire to join the Foundation Board to help support the important work of Project Enlightenment.

Holly joined the Foundation Board in July of 2022.
