FINANCIAL POLICIES & PATIENT RESPONSIBILITIES

Thank you for choosing Middleton Family Dentistry. An important part of our mission is making the cost of optimal care manageable by providing several payment options. Please read through the policies and let us know if you have any questions.

- Middleton Family Dentistry requires payment at the beginning of treatment.
 - Care Credit is subject to credit approval. No discounts are offered for payment with Care Credit.
 - For patients with dental insurance, we are happy to work with your carrier to maximize your benefits. However, all co-pays or estimated patient portions are due at the time of service. If we receive more than is estimated from insurance, we will issue a refund to you. In the event that your insurance pays less than what was estimated, the new balance due will be your responsibility.
 - It is the patient's/guardian's responsibility to know their dental insurance benefits and to notify and provide current insurance information to our front office staff before services are rendered.
 - Any overdue balance not paid within 30 days will be subject to a finance charge of 1.5% monthly (18% annually). Any account with a patient balance over 90 days may be turned over to a collection agency for collection, and any fees charged by the agency and/or attorney will be the patient's responsibility.
 - Middleton Family Dentistry will charge a \$40.00 return check fee.
-

APPOINTMENT POLICIES

- In our office, we value the time appointed for all of our patients. If you are unable to make it to your appointment on time, please call, and we may be able to find a later appointment for you on the same day if the schedule permits.
- As a courtesy to the practice and other patients, please give at least 48 hours notice if you need to cancel or reschedule, so that we may offer that appointment time to another patient. We reserve the right to charge a \$35.00 administrative fee for not showing up to an appointment, or for appointments cancelled without a 48 hour notice.
