Welcome to the Annual IASMC Meeting

On behalf of Shriners International, it is my pleasure to welcome each of you to the 2019 Annual International Association of Shrine Motor Corps (IASMC) Meeting. By combining two of the things that Shriners do best – having fun and helping kids – the IASMC, as demonstrated by their motto, *We ride for the benefit of children*, is a great example of what makes our fraternity so great, and so unique.

I would like to thank the members of the IASMC for their steadfast commitment and dedicated efforts to promote both Shriners International and Shriners Hospitals for Children® every day. Shriners are a brotherhood of men dedicated to providing care for children and families in need. Our backgrounds and interests are diverse, but we are bound together by our shared values and a desire to have fun, do good and build relationships that can last a lifetime. Our fraternity is such a special and important organization that makes a positive difference in countless lives around the world. I am grateful for each of you here today, and to be able to call so many wonderful men my brothers.

Shriners International truly appreciates our associations, such as the Motor Corps, who help us in reaching our membership goals. We must all continue to work together to strengthen our fraternity and increase our membership so that we can continue our tradition of making the world a better place for many more years to come.

It has been an honor and privilege to serve as your Imperial Potentate throughout this past year. Thank you for all your efforts on behalf of Shriners International and Shriners Hospitals for Children. Best wishes for a productive, successful and educational meeting.

Sincerely,

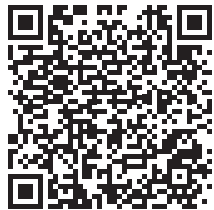

Jim Cain
