## Pell's Citrus

Since the Daytona Flea Market opened in 1981, Pell's has been supplying our visitors with delicious locally-grown citrus direct from their groves. Five generations of the Pell family have worked to make their name synonymous with quality. Making their headquarters in Osteen, Pell's Citrus not only sells locally, but ships fruit to customers nation-wide through their website, [PellCitrus.com](http://PellCitrus.com).

Citrus season runs from November through April with different varieties ripening at different times throughout the season. Their ruby red grapefruit is available all 6 months. Navel Oranges, Florida Tangerines, Orlando Tangelos, Honeybells and Valencia Oranges are among the varieties you'll enjoy this winter. You can stop and sample any of their fruits before you buy. Delicious fresh-squeezed Orange and Grapefruit juice is also available.

A day at the flea market isn't complete without a stop at Pell's Citrus on Row P-South, booths P250 through P260.

Austin, Billy, Joel and Mrs. Pell
