NEWS LETTER
KANSAS CENTRAL MODEL RAILROADERS LLC
JUIY, AUGUST 2017

NEWS

The picnic at Angie was a great time for fellowship. Thanks to Angie and family for their hospitality.

The club has purchased a large quantity of engines, cars and cabooses from a party in Newton. There are 68 engines, 250 cars, 25 cabooses.

These items are displayed upstairs at 313 N. Main and are marked as to prices.

The club purchased items in a storage locker. These items consist of various magazines, pictures, books and a lot of Am track materials. Also there are other railroad signs. Sale of these items should generate a nice profit for the club treasury.
