

Dear Community Business Partner,

The Motor City Madness Fast Pitch Softball teams would like to offer you an affordable venue in which to advertise your business while at the same time support a worthwhile cause.

Each year, Madness teams travel throughout the Detroit metropolitan area and the State of Michigan competing in leagues and top ranked tournaments. In order to assist with travel and equipment costs, we offer banner sponsorships to community businesses. The banner is professionally printed and is prominently displayed at every field at which we compete. All sponsorships also include a complimentary listing on the Madness website.

Madness has thirteen teams participating this season, with players ranging from 7 to 18 years of age, for a total of 140+ players (and their families) in our program. Each team participates in 30-100+ games in multiple locations from which you draw your customers, and thousands of spectators and competitors will see your name or logo on a sponsored banner. Madness offers several different sponsorship options this year:
