WHO ARE WE?

OCNA is your neighborhood association. We are your neighbors down the street and around the corner who are getting involved in our community and strengthening ties to one another.

By sharing information and working together, we can make our great neighborhood even better. Our boundaries are Mission Avenue to the North, Oceanside Blvd to the South, I-5 to the East and the Pacific Ocean to the West. Learn how to join in at our website www.OCNA101.org

DOWNTOWN UPDATE ON IMPORTANT ISSUES

Russ Cunningham, Principal Planner for the City, will update us on the status of multiple important issues including the Coast Hwy Redevelopment Plan, how the city is working on saving sand on our beaches, reducing the density allowance downtown and making sure new developments using density bonuses are deed restricted from STR's. He will also talk about traffic calming through neighborhoods and other opportunities to protect neighborhood pedestrians, and possibly how we can designate our neighborhood with signage.

We hope to see our Oceanside residents there!

OCNA's Clean Streets Efforts - WE NEED YOU!

There are many neighbors already picking up trash and calling code enforcement to keep the neighborhood and safe. OCNA recently worked with the City to add new trash cans on Freeman and Tremont and increase trash pick up on existing cans. The City is also monitoring our neighborhood for transients migrating from the NC Transit Center due to the increased security there.

→ IF YOU WOULD LIKE TO HELP, please email OCNA101@gmail.com for how you can be part of our efforts on Clean Streets.
