Re: NO SHOW/SAME DAY CANCEL POLICY

Our office requires a 24 hour notice to cancel an appointment.

We confirm all appointments one to two days in advance.

Our charge for this policy is \$50.00. This charge will be applied to all appointments for which a patient does not show or has not given appropriate notice of inability to show.

A \$75.00 charge will apply for the second no show or same day cancel.

This is an out of pocket expense, due from the patient/guardian prior to your next appointment. This expense is not covered by insurance.
