Dear Board Members:

On behalf of the Board of Directors, volunteers and clients at Concern For Neighbors Food Bank in Mountlake Terrace we cannot thank you enough for approving our grant request to aid in the purchase of a new box truck with a lift gate. We have now made this purchase which will make it easier for our volunteers to load and unload the donations we receive.

We have your lettering on each of side of this new truck acknowledging your organization's contribution in obtaining this vehicle.

We want to wish everyone at the Hazel Miller Foundation continued success in supporting organizations such as ours in Snohomish County. Your generous donations will help those in need in our community.

Sincerely,

Anne C. Peterson  
President, Board of Directors  
& Acting Director
