6. Cooks will be furnished a double sided ticket, attached to a small styrofoam container. You will remove your half of the ticket and keep it in your possession. It is your responsibility to safeguard this ticket. No cook will be allowed to move into the semi-final or final rounds unless you can produce a valid / legible ticket for inspection when the top scores are announced for each of these categories. You will place the other half of your ticket on the styrofoam container, placing it in the ice chest and bringing the ice chest to the trailer promptly at the end of your designated heat time.

7. At the end of your heat you must remove your pot away from the fire. You will then have 15 minutes to prepare your ice chest for judging and get it loaded onto the trailer.

The announcing of semi-finalists will take place on Saturday evening after the conclusion of the last preliminary heat.

The champ and his helper will be given (2) shirts each. Additional shirts/caps may be purchased at your own expense.
 - Maintenance of the JFA trailer is the responsibility of the cook using it. Payment to the Champ for cooking jobs will not be rendered until the trailer has been inspected for cleanliness.
 - The Champion Cook is required to cook THREE times during his reigning year for free. Thereafter, he/she will be paid the appropriate cook fee and propane allowance, based on approved JFA allowances.
-

**In the event of inclement weather on either Friday or Saturday, the JFA Executive Board will meet with the Judging Panel and make a determination as to if the inclement weather was/is severe enough to place those at a competitive disadvantage, who were cooking at the time the inclement weather was present. In the event that it is determined that the weather caused competitive disadvantage, then instead of taking the top thirty two (32) scores out of eight (8) heats, the semi-finalist will be picked by taking the top (4) scores from the Heat(s) that were deemed to have been at a disadvantage due to weather, and then the remaining semi-finalist will be taken from the rest of the field as described above. (See examples on following page...)

If it is determined that the weather did not cause a competitive disadvantage, then the selection of Semi-finalists will take place as described in section (a.) above. In either case Semi-finalists will be announced on Saturday evening after the conclusion of the last preliminary heat.

SCENARIO 1:

Heat 3 on Friday experiences severe weather which is deemed to have put those cooks at a disadvantage. Semi-finalists will be picked as follows:

Top four (4) cooks from Heat 3.

Top twenty-eight (28) cooks from all remaining heats.

SCENARIO 2:

Heat 3 on Friday experiences light rain that is deemed not to have put those cooks at a disadvantage, the weather worsens and Heat 4 is deemed to have been at a disadvantage. Also, Heat 7 on Saturday experiences a thunderstorm which is deemed to have put those cooks at a disadvantage. Semi-finalists will be picked as follows:

Top four (4) cooks from Heat 4

Top four (4) cooks from Heat 7

Top twenty-four (24) cooks from all remaining heats (including Heat 3).

GOOD LUCK! HAVE FUN! BE SAFE!

I agree to abide by the rules and regulations pertaining to the contest (see attached) and should I win the contest and become the WORLD CHAMPION JAMBALAYA COOK for 2018-2019.
