ENCORE

Product Information

- All lav spouts shipped with low-flow 1.5 gpm aerators.
- All showerheads shipped with 2.5 gpm flow restrictors. Water Smart shower heads with lesser flow, such as 2.0 gpm or 1.5 gpm, are available by request at time of order.
- No minimum order required.
- Valves able to ship ahead.
- Finished and assembled in USA.

Product Designation

Example: ES.011508.80 or 01 Series with Raleigh handle in Sable Bronze

Finish Information

All Series Available in All 5 Standard Colors - IN STOCK for immediate shipment

GROUP I

- #26 - Chrome
- #49 - Polished Nickel Uncoated
- #80 - Sable Bronze

GROUP II

- #40 - PVD Polished Brass
- #69 - Satin Nickel Coated

Parts Information

Handles as shown:

#15 Raleigh

#17 Montreal

#34 Melrose

Optional handles:

#16 Minton

#33 Lea

#35 Eaton

Care Information

To care for any ENCORE fitting, wipe with a clean, soft, damp cloth and blot dry as often as possible. Clean filters & aerators periodically to ensure proper operation. Occasionally apply a non-abrasive and pure polish or wax to prevent water deposits and remove build-up of household soaps, creams and sprays to all finishes except naturally aging finishes.

NEVER use abrasive cleaners or pads or chemical cleaners of any kind (including window cleaner) on any product with a protective coating or custom finish. Such cleaners will attack the protective coating and use will void the finish warranty. Even PVD finishes may be vulnerable over time.

The benefit of real brass is that it can always be restored to its original beauty, but gentle care will improve the life of your fitting in today's environment.

Warranty Information

See Sigma Catalog.
