FRENCH CAFÉ SPIRIT

The French Café may have been canceled last year, but its spirit was very much alive. Our community still showed up and donated a lot of money and goods for our students. With their donation of \$2,350.00 and the money saved from the previous successful French Café, we were able to spread Christmas cheer to 65 students.

We want to thank all the people who helped us this last Christmas to continue our tradition. No need to say that we are planning on hosting a new French Café in December
