Dear Space Coast Quilters

I've been working on Janet's Mystery Quilt. I like the way it's coming together. Watching it grow is like working in the garden, but this is shades of blue, not a weed! I was a month behind, but now, I'm happy to say, I'm all caught up.

Like all quilters, my scrap pile is growing. I'm looking forward to Karen Lee's June program on using scrapes, by M & M Sewcharming. My goal is to provide a few Professional programs, June meeting is one, to pay back our members for all they do for our Guild. And we all have plenty of scrapes. My thanks to Carol and her "I Spy" team. Everyone has really pitched in: she has 40 for North Brevard VPK (3 and 4 year old kids, who meet certain financial requirements), and 20 for our Christmas Booth. Any extras will probably go to the Brevard County Sheriff's Office.

We will have Laura and Karen's Color Book Quilt On July 5. Other than that we do Sit and Sew on Wednesday but no other meetings during July. I'll see you on Wednesday, but if you're traveling, Travel Safe, and check if a local Quilt Shop, in your area, has anything new to share with our Guild.

Happy Quilting
Joyce
