

2017 Kenosha County Park SUMMER TRAIL RUNNING SERIES

Kenosha County Parks Department and Kenosha Running Company, Inc. are working together to introduce all the great trails for runners and walkers throughout Park System. Runners and walkers of all abilities and level of fitness are welcome. Most trails routes will be between two to three miles and you are welcome to run or walk multiple loops of the course if desired.

The Wednesday Series will go throughout the summer with each one starting at 6:00 p.m. There will be a small entry fee for each event and family entries will be available for a discounted amount. These will all be dog friendly events as well.

Please review the following schedule and mark you Summer Calendar. The following pages are an overview of each County Park and the trail(s) we will be following.

June 14th – Bristol Woods (Pringle Nature Center)
June 28th – KD County Park
July 12th – Fox River Park
July 26th – Silver Lake Park
August 2nd – Brighton Dale
August 9th – Petrifying Springs

We will be having summer ending celebration on the August 9th date, recognizing those that ran and/walked the most miles through our events over the summer, enjoying each other's company and handing out some fun awards.
