“I would like to express my utmost gratitude for the Anchor Scholarship Foundation and their commitment to making the pursuit of education for young, aspiring individuals possible. The Anchor Scholarship Foundation has now made an impact on my life and college career for the past 4 years ... [driving me] to work hard to pursue my goals because I know there are people out there who want to see me succeed and believe in my aspirations ... I would not be where I am today without the amazing people who support me and the dedicated individuals who are a part of the Foundation.” **Kayla**
