HHA is submitting a CoC Planning Project for \$19,752. The CoC Planning Project is not part of the rank and review process.

The total amount FL-505 will be submitting to HUD for FY19 is \$763,065 and includes all projects in Tier 1 and 2, DV Bonus, and CoC Planning Project.

Projects not included in the submission to HUD:

Catholic Charities PSH Bonus scored 95/100. The project does not meet community needs. There is no reason to expand the PSH program at this time. This project was unable to meet its goals for the past year. It was determined that Rapid-Rehousing is needed to meet the needs of the community. The Grant Review Committee rejected this project, although it scored well.

All applicants were notified of their acceptance or rejection in writing outside of ESNAPS on September 10, 2019. The notice included their score, project ranking if accepted, and reasons for rejection if applicable.

Ranking these projects was a difficult process and we appreciate the amount of time and effort invested by the applicants to ensure that the Continuum of Care continues to address HUD's funding priorities while meeting the needs of the community. Any questions or concerns regarding this ranking should be forwarded to Sarah Yelverton, Executive Director, at Sarah@hhalliance.org.
