Biography

I always wanted to be a published author so here it goes: I, Abigail Rose Rochefort, age 36, passed away on October 9th, 2022 from metastatic triple negative breast cancer. I was born on the south end of Bay City, Michigan on October 11, 1985. My parents are Paul and Margie (Moszyk) Goik. I was the baby of the family and took full advantage of the fact whenever I could. I was fortunate enough to find my best friend and the love of my life, Nick Rochefort, in July of 2001 while watching the Bay City fireworks. Sparks lit up that night and we were inseparable ever since. We got married on July 6th, 2012 at St. Stanislaus Church in Bay City. I loved being my husband's number one fan; cheering him on in all of his marathons and races. I also enjoyed traveling – be it in the United States or in Europe; hosting exchange students; spreading cheer to whoever or wherever may need it at the time; walking with our dog, Max, at the Bad Axe walking path and spending time with my family and friends. I ran the office at MacAlpine Funeral Home for eight years and treated every family that they served like they were my own. I was also a proud member of the Bad Axe Rotary Club.
