### Why study at BIMBAM Academy?

At the academy, the students will learn from our company's production teams who have passion for teaching.

The academy's commitment is to make sure that the aspirants are taught and mentored by the best talent.

The course work is developed in such a manner so as to encourage students to develop their own styles and technical skills.

### Dreamz

DREMZ is a Digital Art Course exclusively for high school students at an affordable cost. "Digital Art for School Students" is nothing but the modern era drawing class in schools. Every presentation or communication includes photos, graphics, video and other multimedia elements. Every student must be able to communicate in this increasingly non textual and multi-media way. Digital art can be easily integrated into every subject.
