

## The Mission of One by One is...

To influence an entire generation through the impact of God's love and grace by enriching the quality of life for babies and their parents.

**MINISTRIES™**

## ONE BY ONE MINISTRIES

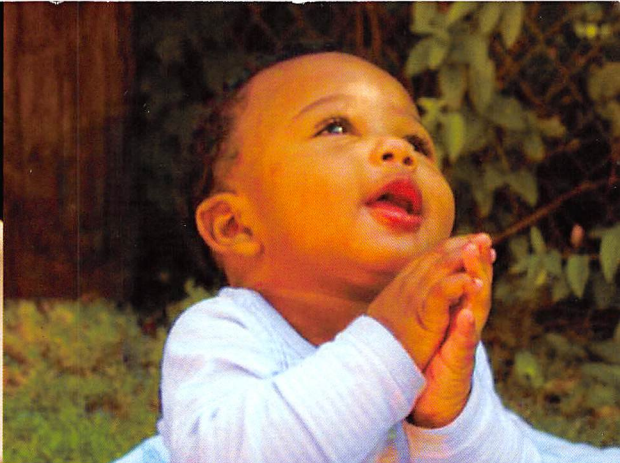

### ...FOR THE SAKE OF A CHILD

One by One is a faith-based mentoring ministry to new and expectant mothers. We work through the local church to recruit and train volunteers to assist moms who are asking for help! One by One Mentors are equipped to:

- Provide quality, personalized ministry for each family
- Help families with parenting skills and understanding child development
- Educate, empower and transform the lives of parents
- Share the Gospel and connect families to the church

One by One receives referrals for moms through pregnancy care centers, health clinics, churches, and private individuals. Each mother enrolled in One by One is assigned a Mentor. Together, they meet regularly during the mother's pregnancy and throughout the baby's first year of life.

Babies need love and nurture during the critical window of development – prenatal through three years of age. New mothers need guidance and support. One by One Ministries is there to help meet those needs!

## HOW CAN YOU GET INVOLVED?

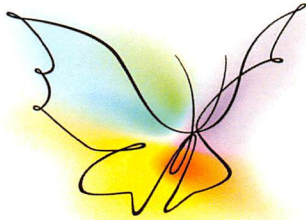

- Volunteer as a Mentor, Prayer Partner or Coordinator
- Connect us to your church, company or community group
- Provide financial support – as a regular monthly donor or through annual giving
- Pray faithfully for the moms and babies we serve

One by One provides churches and volunteers with everything needed: training, curriculum and supplies, continuing education opportunities, staff consultants, and online resources.

Never before has it been so vital to answer God's call in Matthew 28:19 "Go and make disciples of all nations..." We need Christians everywhere to join us in providing new parents with the tools to build strong families. Together, we can influence an entire generation through the impact of God's love and grace by enriching the quality of life for babies and their parents...one baby and one family at a time.

*One by One Ministries is funded through corporate gifts, church donations, foundation grants and private donations. We are an accredited 501(c)(3) and a member of the Evangelical Council for Financial Accountability (ECFA). We are grateful for your tax-deductible contributions.*
