

2017 RMR VOLUNTEERS – WE LOVE U!

For those people who would like to volunteer to assist in putting on the Ruby Mountain Relay, please contact us at rubymountainrelay@gmail.com

There will be many volunteer opportunities, including providing assistance at the start and finish areas, managing the exchange points, and marshaling the course. Most of the volunteers will be used to handle the exchange points. We will assign them to an exchange point that is convenient for them, i.e. close to where they live or work. Time commitment will be approx. 6 hours but probably less. Usually 1-2 volunteers per exchange point depending on the exchange point and volunteer availability and 2-3 volunteers per major “Wagon” exchange point. One will track the teams as they pass by. The other(s) will help direct parking of team vehicles. We will provide materials, including a chart with a list of the teams and other pertinent information to volunteers at the exchange locations. If you want to be assigned to work with other volunteers that you know, we will keep you together. For those volunteers who want to accept a bigger challenge and earn brownie points, we will assign you to a nighttime exchange point or assign you to two exchange points, one on Friday and one on Saturday.

There will be a volunteer t-shirt/cowbell pick-up on Thursday August 3, 2016 at 5:00 pm and a volunteer meeting at 5:30 PM at the Northeastern Nevada Museum 1515 Idaho St. Elko. This will be an opportunity to ask questions and further cover details at an optional volunteer meeting. If you are unable to pick up your packet please email rubymountainrelay@gmail.com and we will bring your t-shirt to your volunteer location.

Each volunteer receives an official volunteer shirt and a cowbell to help cheer on the runners. In addition, we have arranged a free Pizza dinner, at the museum, during packet pickup at 6:00 PM. We also invite you to the Finish Line festivities on Saturday afternoon.

Most Spirited Exchange Point Contest. The runners are encouraged to have fun, so we want to do the same with the volunteers. Do whatever you want to do to show your enthusiasm, such as having a theme, wear costumes, provide a refreshment, play music (cannot be too loud if near homes), etc., etc. The most spirited exchange point and the volunteers at that exchange point will receive a small prize.

Believe it or not, the volunteers will have just as much fun as the runners. Like any other special event, we will need many volunteers to ensure that the Ruby Mountain Relay Adventure is a big success. We thank you for your interest and your help. The Ruby Mountain Relay would not be possible without the support of volunteers.

Job Assignments

- 1. Exchange Point Volunteer:** This assignment involves working at one of the 35 Exchange Points along the course. Some of the responsibilities included calling out participant numbers, directing traffic in the parking areas, tracking the teams coming into the Exchange Point, staying in communication with race officials during the race, and managing equipment and rules of the Exchange Point. We will provide you with your volunteer t-shirt and other materials pertaining to your assignment at the team and volunteer check-in on Thursday August 3, 2017 (see below). Volunteer meeting starts at 5:30 PM. Being an Exchange Point Volunteer is particularly exciting, for you are on the course and you get to see the runners in action. It can also be at an odd time of the night. We appreciate your spirit of adventure and your help with this important part of the event.
To view Course Maps go to: www.rubymountainrelay.com. If you are not able to attend volunteer check-in on Thursday night please email us in advance at rubymountainrelay@gmail.com and we will take your volunteer shirt and items to your volunteer location and put them under the cone.
- 2. Course Monitor Volunteer:** There are certain points on the course where we will need people to monitor certain locations that are not exchange points. Each of these locations has special needs. We will meet with you separately to address the needs of the assignment. You should plan to stop by the runner and volunteer Check-in on Thursday August 3, 2017 (see below) and attend the volunteer meeting at 5:30PM on Thursday August 3.

General Information:

Safety is our number one concern. Please ensure vehicles park in designated areas and runners are safe at all times. Remind runners to wear their required reflective safety vest from 7PM to 7AM and a head lamp. You are in-charge of your location so do your best to ensure things run smoothly but also let runners have fun. If there is a problem do what you can to solve it in a diplomatic way. Check-in regularly with the contact person/race official closest to your exchange, if cell phone reception allows. A list of contact phone numbers is included in the runner's guide that can be found at www.rubymountainrelay.com. Inform them of any serious problems. If you do not have cell phone service, watch for race officials driving the course. They will be checking in on you as often as they can. Please note that we may ask you to move locations, at the last minute, if we need your help at an exchange down the road. We thank you in advance for "enjoying the journey". It is not required but suggested that you have a first aid kit or other emergency supplies such as a blanket and extra water that you can keep in your vehicle in case of an emergency. If you are the last volunteer, at any given location, please do your part to make sure the site is clean. When the last runner has passed, place all race supplies in the designated box for later pick up and you are free to leave. As you depart please consider stopping at volunteer stations along the way & check-in on your fellow volunteers still on assignment. See if they need anything and give them a cheer.

Recommended items to bring with you: folding chair, sun umbrella, hat, sunscreen, cell phone, telling time device such as watch or cell phone, sack lunch/snacks, water, reading materials, toilet paper (just in case porta-potty runs out), wet wipes, jacket, gloves, flash light or head lamp, pop-up canopy tent, card table, highlighter, extra pens, water shooters (for fun) etc. Please bring anything you feel would make your time more comfortable. These items are not required only recommended for your comfort.

Volunteer Check-in

Check-in will be Thursday August 3, 2017 at 5:00PM (PDT – Pacific Daylight Time) with an optional volunteer meeting at 5:30PM. Location will be the Northeastern Nevada Museum 1515 Idaho St. Elko, NV 89801.

Volunteer Substitutions

If you cannot fulfill your assignment please find a replacement. Please contact us at rubymountainrelay@gmail.com to notify us of your replacement. All volunteers must register and sign the release and waiver at rubymountainrelay.com. See sample release and waiver below. We cannot guarantee proper shirt sizes for volunteers that register after July 15.

Disclaimer: The listed times are based on thoughtful calculations. Thank you in advance for your flexibility and willingness to enjoy the journey, whatever it might look like.

THANK YOU!

Ruby Mountain Relay Race Release and Waiver – ALL ATHLETES, VOLUNTEERS OR OTHERWISE MUST READ AND SIGN. PLEASE READ CAREFULLY BEFORE SIGNING THE ACKNOWLEDGMENT, WAIVER AND RELEASE FROM LIABILITY

As a condition of my participation in the 2015 Ruby Mountain Relay (the "Event") as a runner, volunteer or otherwise, I hereby covenant not to sue and agree to release from liability the Ruby Mountain Relay, together with its founders, owners, officers, directors, managers, agents and employees, including but not limited to Ruby Mountain Relay, Ruby Mountain Race Series and their respective officers, directors, managers, members, agents and employees; Relay race officials and volunteers; and any and all other sponsors, suppliers, agents, independent contractors and other personnel in any way assisting or associated with this Event (collectively "Releasees"). This release is a contract with legal and binding consequences and it applies to all activities relating to the Event, whether located on the race course, exchanges or other race-related venues. I have read this document carefully before signing, and I understand what it means and what I am agreeing to by signing.

In consideration of the acceptance of my application for entry or participation as a volunteer in this Event by one or more Releasees, I hereby freely agree to and make the following contractual representations and agreements.

I know that this Event, which takes place both in daylight and at night, is held on open roads and is a potentially hazardous activity. I voluntarily assume full and complete responsibility for all risks associated with participating in the Event and for any injury or accident that may occur during my participation in this Event, including by way of example and not limitation: illness; traveling to and from the event; falls; collisions with pedestrians, vehicles, other participants, and fixed or moving objects; the effects of weather, including temperature extremes and humidity; traffic accidents; the negligence of myself and/or others, including Releasees; and road conditions, including darkness and surface conditions such as pot holes. I am aware of and appreciate all of these risks. I understand that both vehicle traffic and spectators will be present along the race course and that police protection will not be provided. I know that the presence of vehicle traffic during the race presents the risk of motor vehicle accidents involving participants, spectators, and/or other vehicles, and that such accidents can result in death or serious injury.

As a condition of my participation, I agree to abide by all traffic and pedestrian laws and regulations and to follow any and all of Releasees' safety instructions, including all rules and conditions set forth in the Race Guide, which is available on the Ruby Mountain Relay website, www.rubymountainrelay.com. I understand that my failure to do so may result in serious injury or death and may be grounds for my disqualification from this Event.

I acknowledge that I should not enter and participate in this event unless I am medically able and properly trained. I agree to abide by any decision of a race official relative to my ability to safely complete this road race and I further agree that race officials may authorize necessary emergency treatment for me.

Having read this waiver and knowing and assuming these risks, and in consideration of the acceptance of my participation, I hereby for myself, my heirs, my executors, administrators or anyone else who might claim on my behalf (collectively "Successors"), covenant not to sue, and waive, release, and discharge Releasees from any and all claims or liability of any kind or nature whatsoever arising out of my participation in this Event, even though such liability may arise out of negligence or carelessness on the part of Releasees. I hereby authorize Ruby Mountain Relay and Ruby Mountain Race Series, to use my image or likeness for race promotional purposes. I understand the race registration fees are nonrefundable. I have read or will read the Race Guide and agree to abide by the rules and conditions contained therein.

I acknowledge and agree, for myself and my Successors, that the above representations are contractually binding, and are not mere recitals, and that should I or my Successors assert a claim contrary to what I have agreed to in this agreement, the claiming party shall be liable for the expenses (including legal fees) incurred by the Releasees in defending such claim. This agreement may not be modified orally, and a waiver or modification of any provision shall not be construed as a waiver or modification of any other provision herein or as consent to any subsequent waiver or modification. I consent to the release by any third party to Releasees and their insurance carriers of my name and medical information that may relate to any injury or death I may suffer arising from my participation in the Event. Every term and provision of this agreement is intended to be severable. If any one or more of them is found to be unenforceable or invalid, that shall not affect the other terms and provisions, which shall remain binding and enforceable. I hereby affirm that I have read this document and understand its contents.
