

Thanks Dad

by Jay Launis Maud church of Christ Maud, TX

William woke up at his usual time on Sunday morning and headed for the kitchen. As he walked down the hall, he remembered that it was Father's Day. But this would be a different Father's Day than all the ones before because this would be the first one in which his 18-year-old son, who was away at college, would not be around. As he sat reading the paper, his wife brought his breakfast along with a card in a big tan envelope. He opened the card to read:

Dear Dad,

Sorry I can't be with you this year for Father's Day, but I wanted to write and thank you for a few things...

- Thanks for taking the time to teach me about life
- Thanks for catching me before I fell
- Thanks for letting me fall so I could learn to get up
- Thanks for showing me how a man should treat his wife
- Thanks for teaching me how to work hard
- Thanks for showing me a man can be strong without being mean
- Thanks for praying in front of me
- Thanks for baptizing me
- Thanks for teaching me about Jesus

An Important Man

by John Wright Woodbine church of Christ Nashville, TN

In 1927, in West Africa, a man named Asabi was sick with yellow fever. He gave a sample of his blood for the purpose of making a vaccine. After much work, testing, and failing, the vaccine was successful. Even to this day, all yellow fever vaccines are part of that original strain taken from that humble man. The blood of that one man served the whole human race.

To a much greater degree, the blood of a man who lived and died over 2,000 years ago has served, indeed saved, the whole human race from Adam to the end of time. That man is our Lord Jesus Christ. His blood, which cleansed sins in the first century, is still cleansing today. "If we walk in the light as he is in the light, we have fellowship one with another, and the blood of Jesus Christ His Son cleanses us from all sin." (1 John 1:7) We are redeemed by this blood (1 Peter 1:18-19). We are justified by His blood (Romans 5:9). We are washed and made white in His blood (Revelation 7:14).

I am thankful that the blood of Asabi prevented yellow fever. I am more thankful that the blood of Christ saves us.
