

Kremmling Preschool Newsletter

February 2, 2022

NEW THEME - With the new month comes new themes in preschool. The children will be learning about "Hearts and Hugs" & "Opposites Everywhere", letters P, Q, & R, #13 & #14, the color pink and heart shape. You can help reinforce what we are learning in class by asking your child about these topics or playing a game of "Try to Find the Letter" and ask them to find the letter R, for example.

MS. KALONIE'S KORNER - "Man the last two weeks have flown by! We really enjoyed our Polar Pals unit. We all pretend to be Artic Animals while at recess. One of our new fun things we've been doing during indoor recess is telling make believe stories. Hearing and seeing their imaginations come to life is so very exciting! Looking forward to the next few weeks as we discuss hearts & hugs and talk about the things we love. Until next time!"

VALENTINE'S DAY PARTIES - They will be on Monday, February 14th. The morning class will begin their party at 10am, the afternoon and full day class will begin their parties at 2:30pm. If you send valentines for your child to give out, please bring enough cards for everyone in his/her class. The morning class will need to bring 16 valentines, the afternoon class will need to bring 20 valentines, and the full day class will need 18 valentines for their classmates & teachers. **Please have your child write their name by the "from" line on their valentines. Please leave the "to" line BLANK. This way your child may walk around and put one card in each classmate's bag and not have to ask to whom that card belongs.** If you would like to bring snacks/treats or help, there is a sign-up sheet on ParentSquare. If you need help accessing this, please let Michele know. Parents are welcome to attend! If your child does not normally attend school on Monday's, you may bring your child to the party and stay with them through the festivities!

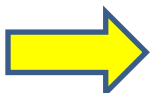

BIRTH - 5 YEARS DEVELOPMENTAL SCREENINGS - On Friday, March 11th, Kremmling Preschool will host the our annual FREE developmental screenings from 9am - 1230pm. The Kremmling Preschool facilitates these developmental screenings for children birth - 5 years. They are conducted as a means for families and staff to identify children that are possibly in need of extra family or individual support. They also serve as an opportunity for families to just "check in" with specialists and teachers and see where their child is developmentally. In other words, you don't have to have a concern to attend these screenings, they are open to anyone. If you're interested in having for your child screened or know of someone who you think might benefit, please register soon or contact Michele for more information. Children currently enrolled in preschool DO NOT need to schedule a screening as they have already been screened. Please call Michele at the preschool (970) 724-9483 for more information or to register your child. Space fills quickly!

WINTER CLOTHING - Be sure your child has: **SNOW PANTS, BOOTS, COAT, HAT AND GLOVES** every day for recess. We do have a few items to loan out to kiddos in an emergency, but many times it becomes a habit to borrow and not remember their own items from home. Thank you! Also, be sure to have a

whole set of extra clothing for your child, left in their cubbies. We do a lot of activities at preschool that can get their clothes wet or dirty and they need extra clothes for this, not to mention if we have a potty accident. Thank you!
