

No Violence concept

Violence is never a solution

The Universe Custodian Guardians '**Violence Concept**' endeavors' to turn people from being a threat to other people or the community. In-to a non violent 'Custodian' of **1 God**'s creations! Being 'Non violent' starts at home includes family, friends, neighbors and community.

Violence starts with the unborn. Violent surroundings in still a propensity to violence for the rest of the life. The propensity to violence needs a trigger to turn violent. **Triggers:** Alcohol, anger, fear, contact-sport, fight sport, ignorance, humiliation, lack of empathy, mind altering substance, peer pressure, provocation, violent video, violent video-games,...

An unborn exposed to mum, dad verbally abusing each other. Learn that it is okay to verbally abuse and will do so later in life. An unborn exposed to mum being physically hurt by dad. She new born will later in life endure physical abuse by He. He new born will think it's alright to hurt She. An unborn exposed to mum drinking, smoking using mind altering substances. This new born is going to have health issues and very likely becomes an addict.

Ensuring unborn, newborn are not exposed to alcohol, mind altering substances, physical and or verbal abuse. Is the best contribution to preventing violence. To achieve this Parents need to be educated (before, during parenting) to avoid addictions and abuse of any kind.
