POLITICS & POLITICIANS

The word ‘politics’ is derived from the word ‘poly’, meaning ‘many’ and the word ‘ticks’, meaning ‘blood sucking parasites’ -*Author unknown*

Politics is the gentle art of getting votes from the poor and campaign funds from the rich, by promising to protect each from the other. – *Oscar Am ringer, “the Mark Twain of American Socialism”*.

I offered my opponents a deal: “if they stop telling lies about me, I will stop telling the truth about them”. – *Adlai Stevenson, campaign speech, 1952*.

Instead of giving a politician the keys to the city, it might be better to change the locks. – *Doug Larson (English middle-distance runner from 1924)*.
