DESCRIPTION: Great looking and performing recurve. The Mustang was one of Pearson's best hunting bows. Beautiful Freijo riser. No delamination; no cracks; limbs are straight. Tip overlays on both sides of the limb. Overlays and tips are in great condition. Decal is in great shape. Two small professionally filled sight holes, one is visible on the bottom of the limb, the other one on the riser is nearly impossible to see. No chips, dings or cracks. No stress lines or crazing. A few scratches and scuffs on the limbs. This is a really nice bow in excellent condition for its age. It cost \$70 new, which translates to \$506 in 2019 inflation-adjusted dollars.
