What's Happening in Hutch?

Landmark Gets a 'NAME CHANGE'
'Promise Regional Medical Center of Kansas'

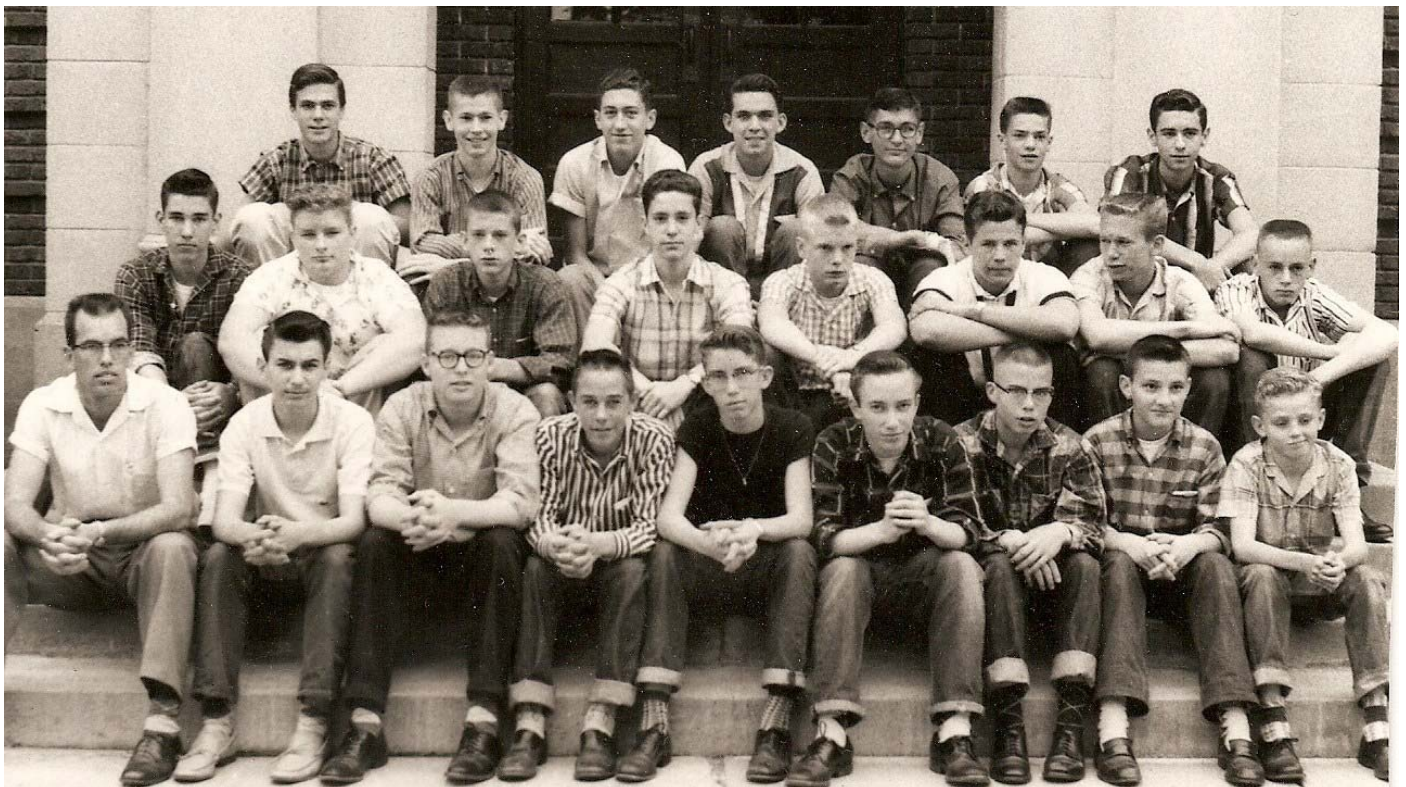

Hutchinson Hospital changes it's Name & it's Image. They are adding on a 'Trauma Ctr. & Adding to already well known Cardiac Unit. With the addition of the Trauma Unit Hutch will become a Level 3 in service of the more severe injuries and was felt that they needed a name to reflect a Regional Center rather than a community type hospital. It has not been sold nor have there been any desires to follow that pathway. The name change became effective on Sep. 2, 2008 with a big list of events to get every ones attention.

Photos shared this month:

Late August brought my brother Rodger home for a 'Clifford Reunion'. Although he was here only a few days we had really good visit and even took in the Underground Salt Museum. As some of you may or may not know Rodger joined the Army shortly after his HS Graduation and has not been home very much since. Maybe 7 to 8 times? Anyway it was great to have him home. (Rod grad from NHS but would have been in HHS Class of 63, he switched to attend with his friends.)

Rodger had a very distinguished & unique career. He retired 2 times, is widowed and currently resides in Sierra Vista AZ. He still loves all things that go fast and especially those he can work on.

Some things never change. ☺

Notes: I am Jan (Clark) Berry, from Raymore MO. Jerry and I will be married 50 yrs this December. In June our 5 children had a early celebration for us at Branson with family and friends. We just returned from an AK cruise. It was so nice. As I went by people I just wondered did I know them from the grade schools, Sherman, or Hutch high. I am retired now and enjoying it, reading a lot of books. If every you are near south K.C. Let us know, would love to see friends from the past. **Contact Jan:** janberry@juno.com

Local: See Sherman Jr. High Reunion photos shared by Margaret Garcia Wells. Margaret reported that she & others attending the Sherman (Annual) Reunion had a good time. 'Classmate Highlight'
John Scott Young

Who is Scott Young?...

Statesman, Politician, Banker,

Auto Salesman, Restaurateur, Delivery man?

Well Scott sells siding, windows & much more in the home improvement venue. (No, he does not fit the mould of the movie stereotype) Scotty is just 'Scotty'.

It is good to see he has changed v-little, in the last 48 yrs. He shows the same high energy, easy smile & warm friendship. I know he has received awards and accolades but was unable to pin him or secretary Jan down for the articles & lists... So with poor results in my follow-up contacts I will just conclude business is good. ☺

(Scott is a good businessman)

Does Scott live in a Glass House?

Sometimes...like the usual 9 days of Fair each year! ☺ But mostly when he is not in his truck making home visits, in his office at at 725 West 2nd, Hutchinson KS. 'Hutch Improvement Home Works', Scott & wife Marjorie reside & enjoy the g/kids at 3600 N. Halstead. Between Marjorie & Jan (his sec) they frustratingly try to keep up & keep him on task, as he'd much prefer to be Visiting with Friends, J.Q Public & Former Clients, which is where I caught up with him below at fair time.
