---------------------------	------------

Northwest Road Runners is a non-profit organization and we had promised that we would be able to donate back to the schools a minimum of \$5.00 per participant. We are happy to report that the event raised over \$10,000 which has enabled us to give back **\$12.25 per participant**. It gets even better - of the 824 participants, 59 checked "All Schools", so those participants are spread evenly amongst the remaining 765 participants' school choices. Therefore, the actual donation back to each checked school becomes **\$13.20 per participant!!**
