

MA Oilburner Code Seminar

Complete course on the Massachusetts Oil Burner Amendments to NFPA 1. This course is technically oriented and reviews the regulation from the standpoint of an inspector and an installer who wish to conform to all applicable requirements. Features work-arounds and methods that provide for Code Compliance, operating safety and proper operation and is ideal for both apprentices and senior technicians, sales personnel, managers, Fire Inspectors and anyone else involved in the installation, inspection and servicing of Oilheat equipment while working in the Commonwealth of Massachusetts.

These programs are offered in conjunction with the Massachusetts Energy Marketers Association with support from the National Oilheat Research Alliance. All sessions taught by George Lanthier of Firedragon Academy.

Tuition fee includes NEW checklist, a copy of "The Code Guide", a copy of NFPA31 and 4 NORA CEUs.
Now approved by Comm. Of Mass. - DFS for FPO Credentials.

Classes subject to cancellation based on enrollment, more information at FiredragonEnt.com
