WORLD DAY OF PEACE JANUARY 1ST

The World Day of Peace was established by Pope Paul VI in 1968 who asked that "every year, this commemoration be repeated as a hope and as a promise, at the beginning of the calendar which measures and outlines the path of human life in time, that Peace with its just and beneficent equilibrium may dominate the development of events to come." Each year has a specific theme, chosen by the Holy Father.

COP28

The core issue at COP28 was fossil fuels and in the end, negotiators agreed to call for a global transition away from all fossil fuels. This is a significant step in the right direction and indicates governments are ready to deal with the problem. Our leaders' climate actions matter, and our climate actions matter.
