## STUDY AND DISCUSSION QUESTIONS

---

1. Hunt through the contexts of Colossians 2 and Galatians 4. What particular “elementary principles” might Paul have been targeting with these verses?
2. Paul also says that we have died to “the written code.” Read Romans 7.6 and Galatians 2.19 (and their contexts) and explain what he means.
3. How does our “death” relate to our security in Christ? Explain and defend your answer.
4. How is eternal life both a present and a future reality? Explain and defend your answer.
