Ride for Autism-- We ALR 109 raised \$13,500 for the ride for autism and after all expenses netted just over \$12,000. We delivered 16 iPads to the two schools we chose and will be reaching out to DM and Vail Schools to provide the same to the kids in their schools to use up the remaining funds.

Copper Ridge and Sycamore elementary schools. Sycamore gave a nice reception and we were able to personally hand deliver and hand out the iPads to the kids. Kids made ALR 109 a big thank you banner which is hanging on the rider wall. Big thank you to everyone that helped make this event a success.
