October: the Month to Honor Mary,
the Mother of Jesus

October, in the Catholic tradition, is the month we especially devote to the Blessed Virgin Mary. The Mother of Jesus plays an important role in our lives. The month of October reminds us of the story of Fatima when Mary came to visit the three young children Lucia, Jacinta & Francisco. Jacinta and Francisco died shortly after that and were canonized saints by pope Francis in 2017. Lucia lived a long life and just recently died. The messages that were given to them are to pray, to do penance and to devote to the Immaculate Heart of Mary. The messages given to the children are meant for each of us. We are also called to pray, to do penance and to devote to the Immaculate Heart of Mary. Mary was chosen to be the Mother of Jesus, also became our Mother as Jesus entrusted to the apostle John at the foot of the cross, "behold your mother." (Jn 19:26-27) As our Mother, Mary looks after us and intercedes for us every moment of this earthly life.

28TH SUNDAY IN ORDINARY TIME

SPIRITUAL LIFE COMMITTEE

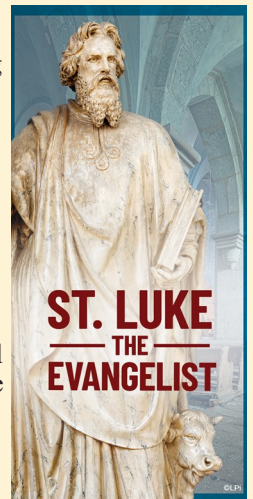

Saint Luke | October 18

Saint Luke, sometimes called The Evangelist, is the author of the third Gospel and the Acts of the Apostles and a physician. There is some debate about how he came to Christianity, though many believe he was a gentile convert. Tradition holds him to be a native of Antioch, Syria, possibly a slave. Most of what we know of Luke comes from Scripture, he was an eloquent and proficient writer, penning with accuracy the events he recounted. He is viewed as one of the best historical sources of the time.

Luke was a close companion of Paul's, joining him at Troas about year 51 and going with him to Macedonia and Philippi. Their paths diverged and met again as they journeyed to spread the Good News. Luke remained with Paul until the latter was martyred in Rome. Saint Luke's Gospel is viewed as one of social justice, giving special attention to the poor. He also emphasizes gentiles hearing the message of Christ. It is the only Gospel with Mary's Magnificat, and spends the most time illuminating the lives of the other women around Jesus.

Accounts of Luke's death are conflicting, some say he was martyred shortly after Paul others that he lived a long life completing his Gospel in Greece and dying at 84. He is the patron saint of physicians.
