MCINROE CONSULTING LLC CONSTRUCTION SOFTWARE SERVICES

" TEAMWORK MAKES THE DREAM WORK "

INTRODUCING:

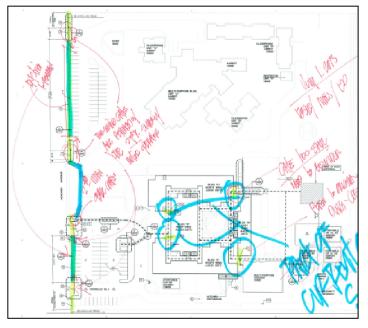

ADVANCED ANNOTATIONS

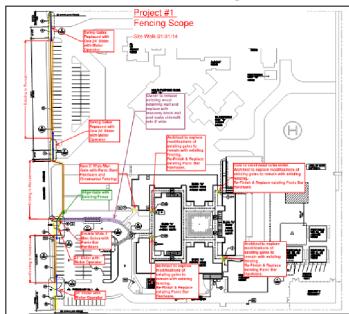

Don't let your competitors gain the technological edge. Get assistance with the newest construction software in the industry, advanced annotations. View your plans like never before from any type of computer device.

What is Advanced Annotations? Advanced Annotations are comments added to a plan that communicate information. Hand written annotations can be hard to read and may not be clear. Advanced annotations allow you to add comments in different colors, sizes and shapes creating a more effective and clear product. Improve the quality of your documents with a professional look.
