2015 Grand Marshals

Donnie and Sally Davidson

Donnie and Sally Davidson are the Grand Marshals of the 2015 Holden Street Fair. The Davidson family has roots dating back over 180 years in the Holden community. Donnie and Sally have been married 35 years and are members of the Holden United Methodist Church. They have been blessed with three children, all of whom were raised on the farm and are graduates of Holden High School.

Donnie, Holden High School class of '67, grew up north of Holden on his family's dairy

farm. Donnie bought out his Uncle Floyd's interest in cows and machinery upon returning from his four-year service in the Navy as a hull technician, second-class, in 1974. He then entered into a partnership with his dad that lasted 12 years until Marshall retired in 1985. Donnie spent over 40 years milking Holstein cows as a business, in addition to the years spent milking as a child helping out on the farm. He sold his dairy cows in November 2013. This ended the 80-year history of the Davidsons selling Grade A milk. He continues to stay busy as the fifth generation farmer to carry on the Homesteaded Family Century Farm with his beef herd and row crops. Donnie has been past president of Johnson County Farm Bureau and served many years as the secretary/treasurer of the Johnson County Dairy Herd Improvement Association. He is President of the Rock Springs Cemetery Association (where 3 generations of Davidsons are buried), member of the Johnson County Watershed District Board and has managed a team in the West Central BCA pool league out of the Cowboy Inn for 25 years.

Sally, 'MOOsies Davidson', Merritt Island High class of '70, grew up mostly in Florida. After 28 years of teaching, 22 of which were at Holden Elementary (nine and a half years off in the middle to stay home and raise their three children), Sally (University of Central Florida, BS-1973, M.Ed.-1974; University of Central Missouri, Specialist-1979) retired in

2011 so she could stay home again and this time watch their GRAND children. She taught a 'Dairy Good' themed 'MOO MOO Herd' Kindergarten during her last 19 years of teaching. While teaching, she received several awards including HTA Teacher of the Year & MSTA Central Region Outstanding Elementary Educator. She developed and coordinated a Holden Elementary School geography program for ten years (Where in the World Is the Holden Eaglet?) and also developed and coordinated a Holden district-wide Top Two Academic Award Recognition Program for 13 years. Sally volunteered six years to coach the Carebears T-ball team, having practices at the ball field in her yard, and co-coached the Daredevils and Doves softball teams. She has served as past President of: West Central Missouri International Reading Association; Mu Chapter - Delta Kappa Gamma (Honorary Women's Educator's Society); Holden PTA and Kappa Nu-Beta Sigma Phi. Sally is still active with Delta Kappa Gamma, Holden Community Praise and Glory Handbell Choir, Holden R-3 School Foundation Board and is very involved in her church activities and choir. Sally was a graduate of the 1st Johnson County Master Gardener's class and was awarded the Johnson County Farm Bureau, Farm Wives' Hall of Fame.

Over the past 35 years, Donnie has rearranged his schedule to host hundreds of

children and their families (MOO MOO Kindergarten Herds, 4-H Clubs, church groups, home schoolers, Warrensburg C.L.I.M.B., Farm Bureau and their own children's parties) on their farm for dairy tours, hayrides, bonfires and picnics. In their early years of marriage, they were members of the Holden Tennis Club and danced in the Holden-Ons Square Dance Club. Donnie and Sally were selected as the 1993 Johnson County Farm Bureau Farm Family.

Donnie and Sally have also taken time to raise a family on the farm. Their oldest son, Dusty and his wife, Celia, both live and work in Holden. Dusty is an agricultural loan officer for Central Bank of Warrensburg and Celia teaches and coaches at Holden High School. They have two sons, Kyler (4) and Colby (2). Their younger son, Rocky, has a degree in computer engineering technology and is a software engineer for Garmin in Munich, Germany. Their daughter, Sandy McKeown, lives in Moberly with her husband, Chuck. Sandy coaches cross country and is a math teacher at Moberly High School and Chuck is the broker of the Century 21 Real Estate business in Moberly. They are expecting their first child, a son, in October.

Donnie and Sally are both honored and excited to serve as Grand Marshals of the 2015 Holden Street Fair. They have both dedicated their lives to service and are proud members of the Holden community.

Duke Mason and the Duke Mason Band

**Saturday, August 29th
8:00 p.m. - Grandstand**

Duke Mason is a special performer because of his unique height of only 46 inches. However, his talent and charismatic personality bring a respect and dignity to his singing that only few are chosen to have. Duke is a singer, musician, actor, & entertainer. A truly multi-talented and exciting performer, Duke sings, plays guitar, keyboard, bass and drums.

Duke Mason comes from a singing family. He began singing in personal appearances with his family when he was only 4 years old. He has also been a featured soloist with his family in concerts throughout the United States, China, Canada, Jamaica, and Mexico. Since his appearance with his family on NBC's "Real People" in 1980, Duke has been in constant demand for personal appearances.

Duke has appeared on programs with music greats including: George Jones, Mark Chesnutt, Collin Raye, Leroy VanDyke, Moe Bandy, Daryle Singletary, John Michael Montgomery, Emerson Drive, Ronnie McDowell, Ricochet, Confederate Railroad, Tony

Orlando, Roy Clark, Dale Evans, The Blackwoods, The Imperials, The Jordanares, Barbara Fairchild, Pat Boone, and many others. Duke has also appeared as a soloist and piano player for country music singer Tommy Overstreet.

On several occasions, Duke has had the honor of performing with the legendary singing group The Jordanares. After his first performance with the Jordanares, they asked him to stay onstage and sing another song. Following the performance, they gave Duke an autographed token stating, "You are a great talent and friend, The Jordanares".

In September of 1995, The New York Times Magazine said, "I found myself genuinely moved by the way he (Duke) took the stage and transformed himself into a giant."

Since 1996, Duke has performed over 6,200 shows at Precious Moments! In 2004, he was honored to become the headlining entertainer at Precious Moments.

Since September of 2000, Duke has appeared 4 times on the nationally televised program, "THE MAURY SHOW".

Duke is excited to have a small role in the new film LAST OUNCE OF COURAGE. The movie stars Jennifer O'Neill and Marshall Teague and was released nationwide September of 2012.

The singing of Duke Mason brings a thrill and genuine excitement to all who have seen and heard him.

NO LIMITS Band

Saturday, August 29th

6:00 - 7:30 p.m.

NO LIMITS band is a timeless mix of old and new country with a little rock to keep you moving. The band members were all raised in St. Joseph, Missouri, and have played together in many configurations over the years. A few years ago they decided to put the most talented musicians they know together to make one powerful music force and the band was born! The band is available for all types of events, including weddings, private parties, fairs, dances and night clubs.

About the Band:

Frontman TJ RIALS plays guitar and sings lead vocals on most tracks. He was introduced to country music at an early age. His father played professionally and taught young TJ to play when he was 8 years old. That tradition was passed along to TJ teaching his son to play as well. TJ has played at Branson with Mickey Gilley's Band with the Ray Price Band. His seemingly effortless guitar licks and crystal voice never cease to thrill his audience.

Keyboard extraordinaire STAN STEELE throws out some piano riffs with amazing ease reminiscent of Jerry Lee Lewis or Mickey Gilley. He began his professional career at 17 as a regular on the Union Mill Opry in Edgerton, Missouri. His accomplishments include an album produced by Warner Brothers,

performance at the Grand Ole Opry's Ryman Theater, appearing on the Ernest Tubbs Midnight Jamboree accompanied by Ernest Tubbs' band, opening for Sawyer Brown, Charlie Pride and Johnny Rodriguez as well as performing with Jean Shepard, Tammy Wynette, Rodney McDowell, and other country greats.

Drummer KEVIN CRIST has enough energy to fuel a stadium! He got his first drum set at the age of 6. His love of playing drums carried throughout elementary, middle school and high school bands. When he was in the 8th grade he was asked to play drums in the music teacher's band – the only student to receive such an honor! He played his first professional gig with his grandfather's band when he was 15. Kevin has played with many musicians over the years, but prides his performances with his grandfather's band and Missouri

Music Hall of Fame member Ted Paxson at the top of the list. His love of singing was sparked by the joy of his parents in hearing his voice and his wonderful country selections!

Bass master DOC DECKER started his musical career playing the sousaphone! He upgraded to guitar for a few years, but found his niche when he switched to the bass. He has been thumping out rhythms ever since! His most rewarding moments are playing with the Gloryland Express gospel band for retirement homes. He has listed bands such as Boston, .38 Special and Lynyrd Skynyrd as his biggest inspirations.

The band's secret weapon . . . the versatile DENNIS WHITE! Dennis brings the added element of a country fiddle, banjo and/or steel guitar. Dennis also began his musical career at the Union Mill Opry, opened for Sawyer Brown and has held his own ground with some of the area's best musicians. This multi-talented member of the band brings just the right touch to many country selections.

New Life Fellas

Friday, August 28

6:00 p.m. - Grandstand

The New Life Fellas, Michael Wakeman, Eric Stoyko, Tom Mallory and Stephen Jasper, have been singing together for about two years. It is because of God's intervention and the New Life Fellas obedience to God that put these four together. In the Fall of 2011, these fellas, attending the same church, New Life Fellowship, felt a calling to start a quartet. Before they even had a chance to sing together for the first time, God confirmed this calling through a customer of Eric Stoyko. The following week, the New Life Fellas met and picked out a couple of hymns to sing just to see if the 4 voices could harmonize. Since that day, the New Life Fellas have been singing at church functions, civic functions, weddings, and other special events. It

is their goal
to lift up the
name of
Jesus in all
his glory, and
to see people
come closer
to God
through praise
and worship.

Holden K9 Unit Demonstration

Saturday, August 29, 2015

Time: Noon - 1:00 p.m.

Place: Grandstand

Or Grassy Area By CenturyLink
If Temperatures Are Above 90 degrees.

Come meet Sgt. Bond and Drako of the Holden Police Department K-9 Unit. Drako, a 5 1/2 year old purebred Belgian Malinois, serves on the department as a narcotics tracking and apprehension dog.

Sgt Bond and Drako trained together in 2013 at the K-9 Police Academy in Little Rock, Arkansas. This expert team maintains their skills by training weekly with metro dogs from surrounding law enforcement agencies. Originally from France, Drako takes his commands in French.

The relationship between the dog and his handler is one that goes beyond their daily work. Off-duty, Drako lives with Sgt. Bond and his family.

Drako and Officer Bond will demonstrate their search skills in front of the grandstand on Saturday, August 29th, from noon to 1:00 PM. If the temps are above 90 degrees, it will be too hot for Drako to be on the asphalt for an extended period of time. In that case, the demonstration will move to the grassy area on East 2nd Street by CenturyLink.
