MODULAR ELECTRIC SYSTEMS

1. Determine the configurations that need powered and electrical load requirements.
2. Choose **Base Feed**.**
3. Establish placement of **Power Blocks**.
4. Identify **Receptacles** per power block.
5. To figure harness length take the center of the item where the power blocks are to be placed plus the length of any items the harness needs to pass under, subtract 7" and use the next larger size harness, unless measurement is exactly the size of a harness.
6. Determine needed accessories.

**CAN BE RETROFITTED INTO

MILLENNIAL COLLECTION

With Millennial Collection Reception Furniture, you and your office visitors will be pleasantly surprised to discover just how comfortable this black faux leather, tufted cushion seating can feel. The silver accent base completes the look by adding a contemporary feel.

- Modular design lets you use the chairs independently or you can build your own unique layout with multiple chairs
- All chairs upholstered on all sides with durable black faux leather rated for commercial usage
- "Buttonless" tufts are stitched in rather than held in by flimsy buttons that pop off and get lost
- Chrome metal chair frame & legs
