Corn Contracts

Offer Buy – price corn with a standing offer at a set price during the day or night trade

Forward Contract – lock in deferred cash corn price

Hedge to Arrive Contract – lock in futures price with basis open. 5000 bu increments. Fee 5¢/bushel

Basis Contract – lock in basis with futures open. The basis contract can be rolled once. No Fee.

Delayed Price Contract – 9¢ first 30 days and 3.5¢ per month thereafter prorated on a daily basis. Must be priced by 8/30/19 or will be priced at the close. Service fee will be charged when corn is settled. Cash advance of \$2 per bushel available before 2/1/19. Producer is liable if price falls below \$2 per bushel.

Extended Price Contract – Price grain at current cash price, and go long July 19' corn futures. Producer still has downside price risk. 5000 bu increments only. 70% cash advance available. No Fee. Must be priced by 6/30/19. Cannot be rolled.

Late delivery of contracts may be subject to a minimum of 10¢ per bushel penalty

We need to know grain ownership at the time of delivery, settled on a weekly basis. All overruns of less than 500 bushels will be sold at the close of business on the date of last delivery. Deferred payment available.

ATTENTION TO PRODUCERS: This person purchasing this grain is not a licensed grain dealer and this is not a covered transaction eligible for indemnification from the grain dealers and sellers indemnity fund as provided in Iowa Code section 203D.3. Idlenot Farms GP is exempted from licensing as a grain producer that buys grain for its own use as feed.
