MS. KALONIE'S KORNER - We are having a blast! We are doing all kinds of science. The kids are always excited for whatever it might be. We always say "sometimes science works and sometimes it does not!" Ha! We are currently working on celery science. The kids are enjoying the observation center where they are watching the celery change colors, ask them about their observations at this center! Some of their favorite things these last two weeks have been making wind socks, making waffles, drinking out of the water fountain, free play, talking about worms, dying eggs, recess, making carrot and tomato crafts, math and science activities, and of course show-n-tell. We enjoyed visits from the kindergarten teachers this week and are super excited about round-up tomorrow. Thanks for allowing me to love your kiddos!

PICTURE ORDERS - Please do not forget to get your picture orders in online to get free shipping to the preschool. Please let me know if you need any assistance in doing this.

2022/23 Open Enrollment - Enrollment is now open for the 2022/23 school year! Please let your friends and family know we are now enrolling for fall preschool. Spots fill fast so get your spot early!

2022/2023 Kindergarten Roundup - Kindergarten roundup is this week! The West Grand Kindergarten teachers will be hosting a **Kindergarten Roundup parent meeting tonight, Wednesday, April 20th at 5:30pm in the K8 library.** Tomorrow, Thursday, April 21st, we will be sending the pre-k kids over to kindergarten for half a day to see what it's all about! You will send your child to preschool as normal this day and we will take care of getting them over to Kindergarten. Please see your child's folder for a flyer with more information. If you have any questions, please see Miss Michele.

KREMMLING DAYS BBQ FUNDRAISER - On Friday, June 17th, we will be hosting a Community BBQ during the Kremmling Days festivities. We need volunteers to get it all done.
