November 14, 2016

Greetings,

The LORD is near to the brokenhearted, And saves those who are [d]crushed in spirit. (Ps. 34:18)

Thanks be to God in this season that he is in the business of binding up the brokenhearted and healing their spirits. That is all of us at one time or another. We are excited to continue to have residents come to TLC that find themselves at the place in life they are ready to recognize brokenness and looking for solutions to life's problems. Not everyone who comes continues to be ready for change but there is great blessing in seeing those who continue to choose to walk down the path of transformation and we praise God for his continued urging and patience.

Ministry Highlights:

- ✓ We have a new night supervisor, Micheal Duggar, who has spent time in the TLC program and things are working out well with him.
- ✓ We have several longer term residents experiencing great spiritual and emotional growth and discipline.
- ✓ Not only are residents being affected, but we are seeing the family members grow spiritually also.
- ✓ **Your donations are making a difference in the lives of residents and their families.**

God has blessed us with many tree trimming jobs this fall. Mark continues to oversee the work projects of many types. **Work projects have slowed down this fall.** Leaves are falling and we have plenty of time to rake and dispose of them and unwanted brush. If you are aware of anyone in the area needing yard work, leaf collection, or general labor projects done please have them contact Mark at 580 227-6059.

We praise God that our deficit has decreased from \$5000 a month to \$2200 a month. **Your generosity**, lowering operating costs, and increasing tuition is responsible for this change. We are still experiencing an average **monthly shortfall of \$2200 and reserves are running thin.** Please consider the donor opportunities listed below.

Following are several opportunities we invite you to consider to be part of the TLC Ministry.

1. Become a monthly supporter of \$500, \$100, \$50 or \$25 to provide steady cash flow to the TLC program. One time gifts of any size are also welcome! Contributions are tax-deductible. You may give by using the enclosed envelope with a check, debit card, or credit card information and return by mail. We are discontinuing the Pushpay app that has been available on your cell phone due to cost restrictions.
2. Become a "TLC Volunteer" to transport or oversee residents for one-time tasks, for example: doctor visits, counseling, church visits on Sunday, etc. Contact us for an application or download it from the website at [www.fairviewtlc.net](http://www.fairviewtlc.net).
3. Pray regularly for the continuing renewal of the minds of the residents and that they will have the motivation to stick with it when it gets tough. Pray for the Spirit to lead staff and class teachers in their time with residents.
