

Changing Faces Theater Company Covid-19 Mitigation Policy

Staff Vaccination: All of CFTC's employees and contractors must provide proof of vaccination against COVID-19.

Staff Monitoring: CFTC staff must self-monitor each day before arriving at the theater. Temperature must be below 100.4, and no symptoms of COVID can be present.

Masks: All CFTC staff will wear a face mask over their nose and mouth when indoors and in the proximity of students, regardless of the age of the students or the student's vaccination status. Students must also wear masks while in CFTC classes and rehearsals, except when actually performing their lines and/or instructed to remove it by the teaching artist. This is in recognition that not all of our students can get vaccinated, and wearing a mask is the best way to prevent the spread of COVID.

Sanitizer: Hand sanitizer is available at the entrances of the theater and students will be encouraged to use sanitizer at the beginning and end of class, and before they eat a snack.
