Lura wrote: "During Sukkot, about 60 people came to our new place for a picnic dinner and fellowship. We had an awesome time in the Lord! I cooked for 4 days preparing for it.

Little by little we are getting the electric lights fixed in & around the house & the garden is looking wonderful. The children had a grand time playing while the parents sang songs.

The Russian congregation is meeting every Friday in our house & the Hebrew congregation is meeting here every once in a while.

Pray for volunteers to come, please! We have lots of work and lots of Bibles that need distributing.

Pray also for a charity ministry in Sderot that Eddie helps once a week: During the Holy Days, thieves broke in and stole all the medical supplies & food and did a lot of damage to the facility.

A French Jewish woman has come to accept Yeshua as her Lord & Savior - I have been praying for this woman for more than 12 years & now she is coming to our house with the Russian Congregation. The Lord is working in Arad and elsewhere in Israel - Praise His Name! Thank you for praying!"

I shared just the other day with an American converted Jew who worked in Israel with the IDF, CIA etc. He received the track, "Do You know the Messiah". Quite a few of the young people at my church want to reach out to Israelis. I connected them to Chibburim, a ministry where you host Israelis touring the world after getting out of the service. They get a free room and board for a few days with the agreement they will be staying with Christians and will be getting a Bible, tracks and the Gospel presentation!! Go to Chibburim.com"

"Again I ask: Did they stumble so as to fall beyond recovery? Not at all! Rather, because of their transgression, salvation has come to the Gentiles to make Israel envious. But if their transgression means riches for the world, and their loss means riches for the Gentiles, how much greater riches will their fullness bring!"-Romans 11:11-12

We had a booth at the National Baptist Convention in Charlotte, North Carolina. Not only did we equip convention participants with evangelistic t-shirts, hats, jewelry and Gospel tracts, but their purchases were put in "Jesus Loves You" Jewish star bags which challenged several Jewish VENDORS!

A Jewish WOMAN from Calgary, Canada found our website and was challenged by the information concerning the Scarlet Thread. She called me and she spent two hours asking me all kinds of questions about Jesus and is very close to receiving Him as her Lord and Savior!

At a smaller Atlanta Gift Show, several people told me how much they liked my "Jesus Loves You" t-shirt. A Jewish MAN from New York stopped me and asked about my t-shirt which gave opportunity to share!

Although they put religious booths in a slower traffic area because of complaints they received last year, we opted to have a booth at the Sandy Springs Festival. SHELLEY flew in for a long weekend from St. Louis and we had non-stop outreach. Although the first day of the festival was rained out, my COUSINS happened to be there! A WOMAN from Florida with a Jewish father and Catholic Mother was most intrigued by our t-shirts, bought one and wanted information about the Gospel! I went to buy lunch and it turned out the food stand OWNER is Jewish and accepted a Gospel tract! Despite the opposition we received, many Jewish and other PEOPLE were challenged by our presence at the festival and took Gospel materials and pictures of our booth!
