

“PAWS IN SERVICE”
FOR OUR VETERANS AND THEIR FAMILIES
PRESIDENT’S NOTES
FEBRUARY 2017

I hope everyone enjoyed themselves at the Department Open House held on January 7th. It was so nice to see many of you there; it is always a great time with the Legion Family. Doesn’t the new floors look great!!!

Did you attend the Children & Youth/National Security workshop held at Post 1 on January 14, 2017?

Don’t forget Mission Training on January 28th in Las Vegas; hope to see many of you there.

I want to thank the following Unit’s for their generous donation to my Special Project 8, 24, 56, 73, and on my Official visit to Unit 27 I was presented with a \$4000.00 check for my special project, that will team a veteran and dog up and plus they will get up dates on the veteran and dog. Way to go ladies and thank you so much!!!

The Department has been receiving a lot of e-mail from National pertaining to your members paying on line and not receiving their membership cards. If you pay on line please print out your receipt and take it to your Unit to receive your 2017 membership card and Unit Membership Chairman please tell all your members to stop contacting National on their cards, they should be contacting their own Unit FIRST.

We have great news; we have reached one or more achievement milestones in our department strategic planning process. We received a check for \$1000.00 but it isn’t over yet we still have plenty of work to do. We will have more information at our State Convention in June.

Send any invitations to visit your Unit or District to me not to Department as Barbara has other important matters to handle; she is the Dept. Secretary and not my personal secretary!!! My address is 20089 N. Pinewish Court, Surprise, AZ 85374-4625 or e-mail me at gcushing@cox.net and it will also be in directory.

AUXILIARY EMERGENCY FUND

February 2017

Thank you to those who turned in mid-year reports. Our Western Division Chairman, Marge Blankenship, and National Chairman, Lisa Williamson, were pleased that Western Division had 100% reporting, which means YOU helped to make it happen!

This month's fund raising idea for the AEF comes from Vicky Buck, National AEF Central Division Chairman; she suggests having a community carnival by recruiting community organizations that are willing to help promote the programs of The American Legion Family.

The first requirement is getting a space large enough to place tables to hold materials to promote the program, areas in which to serve food, and a section to set up family-friendly games "that require little to no athletic skill" Because this activity could "take several months to plan, prepare for, and implement" it is suggested to start well ahead of the event date. For further information on promoting a community carnival, refer to the January *ALA In the Know eBulletin* and the *ALA PR Guide and Tips for Volunteer Recruitment*.

Recent reports of tornados, mud slides, flooding, and blizzard conditions have, no doubt, caused American Legion Auxiliary members to need temporary assistance. Again, when making your donations to the National Auxiliary Emergency Fund, through our Department Headquarters, please forward a copy of your donation letter to this chairman.

AMERICANISM

FEBRUARY 2017

February is Americanism month and here are some ideas you can do at your meeting: Explain the parts of the American Legion Emblem, or why the American Flag is Folded 13 times. Recite the Pledge of Allegiance and explain the meaning of each word. Prepare a form of the Preamble to the American Legion Auxiliary with blanks to be filled in by members. Maybe, remind everyone why we do not walk between the colors. ("The Hallowed Ground") Breaking the "Colors" is not a violation of the United States Flag Code, however, not walking between the American Flag and the Auxiliary Flag is a custom adopted by the American Legion Auxiliary to show respect to our fallen veterans.

This Chairman received 18 Americanism mid-year reports. Even though some of the reports were late, I included as much detailed information received. However, when you send in your Year End report, it must arrive at my house by April 30, 2017 for your narrative to be judged for Department awards. You can also send it to me by email: lbubbles@cox.net. Please make sure to include the number of volunteers, their hours, and any funds that your Unit spent.

I noticed, at Conference, that some of the flags were wrinkled. I mention this now, so that you will have time to have a fund raiser (if needed) for the dry-cleaning bill. Please take pride in the American Flag, in your Unit Flag. Please do not forget to correspond with President Trump regarding the flag amendment. He will have a tremendous load as he transitions into his term in office. We do not want to our Flag desecrated or abused in any manner, without consequences.

Special dates in February:

National Freedom Day in the United States

National Freedom Day is an observance, in the United States, that honors the signing of a resolution that proposed the 13th amendment of the nation's constitution on February 1, 1865. Abraham Lincoln, who was the president at the time, signed this resolution to outlaw slavery.

National Wear Red Day

Friday, February 3, 2017, is Observe National Wear Red Day. People wear red, on this day, to bring attention to the problem of heart disease in women. Many women wear red dresses, the identifying symbol for the day. Health organizations hold seminars and public outreach events to educate people about prevention and screening of heart disease.

Lincoln's Birthday

Abraham Lincoln is one of the most popular presidents in United States history. It is a state holiday, in some states, on or around February 12th. It's also known as, Abraham Lincoln's Birthday, Abraham Lincoln Day or Lincoln Day.

Presidents' Day in the United States

February 20th, George Washington's Birthday, also known as Presidents' Day, is a federal holiday held on the third Monday of February. This day honors all of the presidents of the United States.

CHILDREN & YOUTH

PAWS IN SERVICE

FEBRUARY, 2017

Thanks to all that attended the Children & Youth and National Security Workshop. There were lots of information shared by the Auxiliary, SAL and Legion. We hope that the takeaways will assist you with promoting both of these programs. We also received information on the various non-profit organizations, that not only help Veterans and their families but all homeless families. UMOM (United Methodist Outreach Ministries) and CASS (Central Arizona Shelter Services). I have attached a list to the back of my bulletin along with contact information if you wish to donate.

Remember, February 14th is Valentine's day. Let's not forget our Veterans and their families. Below are a few ideas you can do this month to show your love and increase community support and awareness of Veterans' Children and all Children.

- Work with your Post to identify the specific needs of children of Veterans who could benefit From assistance.
- Host an event or party and invite our Veterans their families to take part.
- Have your Juniors and Unit members make personal Valentine cards and deliver to the Children's Hospital.

Children & Youth Chairman, please do not forget to mail your annual report and narrative by April 15, 2017. Also, remember to recognize and reward the positive actions of our children and youth. The American Legion Auxiliary has two special national awards bestowed to youth nominated by units. The Youth Hero Award recognizes someone less than 18 years of age who performs a heroic act of physical bravery. The Good Deed Award is for youths 18 years of age or younger who have contributed in a special way to society through community service. information on website www.alaforveterans.org/awards/youth_Hero-good-deed-awards

Ending homelessness in Maricopa County has been at the heart of Central Arizona Shelter Services' (CASS) work since the agency opened its doors in 1984. From the very beginning, CASS addressed the needs of the Valley's men, women and children experiencing homelessness through a continuum of care program model that provided shelter and individualized supportive services allowing these individuals to move their lives forward.

EDUCATION

FEBRUARY 2016

February is the time to check with the schools about the scholarships. If you haven't taken any scholarship documents to the schools, time is getting short as the turn-in dates are getting closer. Check the national website (www.alaforveterans.org) to ensure your application is current. Review the application and keep a copy handy for reference. Some dates to remember:

Application due to Unit **on or before** March 1, 2017

Certified Unit Winner **due to** Department March 15, 2017

Certified Department Winner **due to** Divisional Chairperson April 1, 2017

Certified Divisional Entry due to National Chairperson by April 15, 2017

Certified National Entry is then sent to National Headquarters

NOTE: a change of the posted date from April 2 to April 1

Have you considered talking with the teachers about setting up a class discussing National Security and Community Response? There are local agencies including the Health Department, Red Cross, and the Legion Family that have information to pass out. How about acting as a liaison between the local police department and a local school to set up some interaction. Check on your Essay Contests. Knowledge is power.

Does your Unit membership participate in these two programs to assist the schools? Please contact your schools to ensure they participate in the program and who the contact person is. All members and members of the community should be encouraged to participate so your local schools can obtain extra money and supplies.

National is asking for numbers for your Education Year-End Reports: Volunteer Hours, Money Spent, Money Raised, and Mileage. We should also not forget to advise how many students applied for scholarships and how many we contacted with education of the different Auxiliary Programs – Poppy, Americanism, National Security and Community Service (interaction with local agencies to provide information and basic training) and about “Who the American Legion Auxiliary is and What We Do in the Community.” Units, we know that a lot of you don't utilize a computer for tracking of specific information and programs (our Unit included); so, just jot your numbers down each month on a calendar so the information will be available to send in with your final report at the end of April. The more Units responding, the more information I can send in and the more National can report to Congress. Your help will make Arizona look good in Education, and Karen Smith look good as Division Chairperson. Thank you for all you do; keep up the good work!

“BOOKKEEPING 101”

(this document is intended as an educational tool to assist Treasurers with record keeping and availability of documents when your books are audited.) Taken from NetMBA Business Knowledge Ctr.

Source Documents

The *source document* is the original record of a transaction. During an audit, source documents are used as evidence that a particular business transaction occurred. Examples of source documents include:

- | | |
|------------------------------|------------------------|
| * Cash Receipts | * Credit Card Receipts |
| • Cash Register Tapes | * Cancelled Checks |
| • Customer Invoices | * Supplier Invoices |
| • Purchase Orders | * Time Cards |
| • Deposit Slips | * Notes for loans |
| • Payment stubs for Interest | |

At a minimum, each source document should include the date, the amount, and a description of the transaction. When practical, beyond these minimum requirements source documents should contain the name and address of the other party of the transaction.

When a source document does not exist, for example, when a cash receipt is not provided by a vendor or is misplaced, a document should be generated as soon as possible after the transaction, using other documents such as bank statements to support the information on the generated source document.

Once a transaction has been journalized, the source document should be filed and made retrievable so that transactions can be verified should the need arise at a later date.

HISTORIAN
February 2017

“Dedicated Historians Leave Paw Prints Behind For Tomorrow”

Auxiliary members feel an obligation to preserve the history and traditions of their organization. The history program encourages our members and units to record their service and activities for future generations. While we are celebrating our 90th year, our dedication to remembering the story of the Auxiliary and documenting our current events is even stronger.

The American Legion 100th Anniversary Observance Committee recommends the establishment of centennial committees at the department and post levels. These committees may be separate from traditional post historian offices. Collaboration with the Sons of The American Legion and the **American Legion Auxiliary** is also encouraged. Because the Legion has been a part of so many aspects of community life, committees may also choose to involve others in their planning, including: *f* High schools and colleges, particularly history programs *f* Local media outlets *f* The business community *f* Churches *f* Local historical societies and museums *f* Local government entities *f* Alumni of local post youth programs.

Whether your post/unit was chartered in 1919 or 2009, every post/unit has a story and legacy that has contributed to the overall identity of The American Legion Family. Now is the time to get started.

Now is the time to start thinking about the various National and Department History awards that are available for the History program. You will find them listed in the History plan of works handed out at the Department Conference that was held in November.

March is the Month of the Woman. **Suggestion:** Plan an event to honor the Veteran members in your unit.

JUNIOR ACTIVITIES

February 2017

Paws in Service

Suggestions for Unit meetings:

- Get your school or unit involved in making Pocket Flags • For Veterans Day at your school, see if you can have all of the classes in your school fold flags for military personnel. Talk to your principal or counselor, and explain that you are a member of the American Legion Auxiliary. Explain that you want to teach classmates about Veterans Day and that they can make a difference in a military service member by doing little projects like folding Pocket Flags. You could also use this as an opportunity to work towards a patch. You could give a presentation about what the flag represents and the meaning behind it. Your school may not be able to pay for the flags, so talk to them about fundraising ideas. You could sell suckers at lunch on every Friday for a month. Visit the link <http://www.pocketflagproject.com/> to find the website for more information.
-
- Write thank you letters • Contact a nursing home or veteran's home near your unit, and ask how many veterans live there. Then get other Juniors in your unit or friends together and write thank you letters to them. To tell how much you appreciate their service and sacrifice they gave to our country. You can even include drawings of flags, or a picture of poppies.
-
- Collect items for the Give 10 to Education project • With other Juniors in your unit or with friends collect items for students in your school who has a parent in the military or National Guard. Work with your teacher or school counselor on how to get the items to the students.
- ❖ **Junior Convention will be held in April. Date, place and time will be in next month's bulletin. Elections will be held for the Junior Officers for the year 2017-2018.**

“PAWS IN SERVICE” MUSIC REPORT FEBRUARY 2017

Happy February Ladies:

February is Americanism month and it brings a great opportunity to celebrate being American by wearing red, white and blue. More importantly, it gives each of us the opportunity to sing about our National colors. February is the perfect month for adding some patriotic marches to your Unit and District meetings. John Philip Sousa wrote over 135 marches. His most famous march, “The Stars and Stripes Forever,” became the official march of the United States of America in 1987 through an Act of U.S. Congress. If a music selection is not part of your meetings, make a plea to your Unit or District President to add a song to the meeting agenda. Everyone loves to sing and singing a patriotic song about this great country is a wonderful way to show our Americanism. Remember that February 20 is President’s Day!

Thanks to those unit music chairmen for turning in mid-year reports. Units are coming up with some creative ways to incorporate songs into their meetings. It’s so great to see how others add music to their meetings and gatherings with veterans.

Remember to provide your year-end reports no later than April 17, 2016.

Department Music Awards are as follows:

MUSIC PLAQUES

**Frances Aros Memorial Music Plaque awarded to Unit with membership of 151 and over
Millicent Kasun Music Plaque awarded to Unit with membership of 150 and under**

POPPIES

Ladies, I did receive 6 midyear reports. I was really disappointed but maybe we can put a little more work into the end of year reports.

Have any of you been to the schools in your area to see if any girls are interested in doing posters? You can do different age groups and they can qualify for different awards. Explain to them about the poppy and why it is the flower of the American Legion. Also, explain why we promote it. It is a big fundraiser for the Auxiliary so they can work their programs for veterans.

Remember, we can't give recognition for your work if we don't see it.

In service for God and Country,

UAV UNOFFICIAL MINUTES
7 JANUARY 2017

The meeting was called to order at 10:06 a.m. by Chairman Reggie Yates, the opening ceremony was conducted and guests were introduced.

Director of Arizona Department of Veteran's Service, Wanda Wright gave an update on what the Department has been doing. She stated that last quarter they have been working on many projects. Efforts are being made to pay invoices within the 30 days and they have saved \$5,000 in interest by meeting these goals. New hires processing has gone from 131 days to 24 days. They are working to build a West Valley Educational Center near Luke Air Force Base. When this venture is finished they will start reworking the East Valley Education Center. These centers are skill bridges for veterans getting ready to separate within 6 months. APS and USAA have formed a council to help fill the gap with employees. They are looking to place veterans into a career not just a job. They have opened two new locations for veteran counselors one in Flagstaff and one in Prescott. They are in the process of redesigning the State Veterans Home in Phoenix. It is over 20 years old and in need of upgrades. They have been working with the tribal nations and have recently trained two Navajo service officers to work on the Navajo Nation. They are also working with all of the other tribes in Arizona.

They are working on a new program that is expected to go on line in April to help combat suicide.

The women's planning group met and are planning on having at least one woman's veteran program every month.

They are working on establishing a regional court to help veterans that may have more than one minor violation but in several areas. This would help the veteran take care of all minor infractions at one time and not have to travel all over the county. They are also working to help women veterans reenter the work force after being released from prison.

Bruce Pagel from "United for Change Veterans Store" gave a report on his organization. They were established as a 501(c)3 in 2009. The organization partnered with Luke Air Force Base in 2015 and the project is alive and well. They serve transitioning homeless veterans, at risk veterans, domestic abuse veterans and veterans getting out of jail. Their mission is to collect household items and give them to veterans in need. They have one paid employee (the manager of the warehouse), all other employees are volunteers. They will go out on Saturday to pick up donations. Last year they delivered furniture to over 400 veterans. Most of the apartments that the veterans are able to get into are completely empty. In 2016 they almost had to close their doors. The program was revamped and they now go out and raise money to buy what they need vs using donations. The need new trucks as the current two trucks they have, have upward of 200,000 miles on them. How to contact them will be provided at a later date.

Marks Fields advised the membership of new legislation being proposed for a lottery ticket to support veterans and also about efforts for a diversity memorial to be constructed at Wesley Bolin Plaza.

Carol Culbertson took the roll call, a quorum was established. Motion to approve minutes was made and second, motion approved.

Bob Hysco, gave the financial report. The current cash balance is \$33,044.07.

Corey Harris from Representative Gallego's office reported that veteran's unemployment rate has shown a 7% decrease in December. Currently the veteran unemployment rate is 4.1%. He also advised the membership that President Obama has signed the "Toxic Exposure Bill" into law. There are some people in Congress pushing to shut down the VA. President elect Trump does not support this issue.

Dr. Maureen McCarthy from the VA Medical Center reported that a new Deputy Director has been selected but she is not able to give out the name at this time. She encouraged everyone to get their flu shots. Last year the VA in Phoenix realized a 14% increase in patient care. Two new CBOC's will be opening this month. On "Midtown

Clinic" will be located at 5040 N. 15th Avenue, Phoenix and the other one "Southwest Clinic" will be located at 9250 W. Thomas Road, Phoenix. The hours of operation will be from 7:30 a.m. to 4 p.m. These clinics require an appointment to be seen. They will not have a pharmacy on site. Prescriptions can be picked up at the Outpatient Pharmacy in the main Phoenix VA hospital or can be filled by mail. The Emergency Room has opened up 20 more beds to treat patients. By using the new "Fast Track" clinic for many of the walk in to the ER, they have been able to reduce the wait time in the ER to about 3 hours. The new Dental Clinic is expected to open in April. The VA has been approved for a second parking garage. It is expected to be constructed just north of the valet parking area and is supposed to have 200 more parking spaces.

Reggie Yates gave a report from the Board of Directors Meeting. They are looking for nominations to the AVHOF. Deadline for nominations is 31 March 2017. He also encouraged everyone to get their tickets for the "Patriotic Gala" being held April 8th. A new organization "The Ripple Effect" was voted into the UAV. They work with suicide prevention.

Terry Araman brought a "Resource Guide" produced by Kirsten Synema's office.

Rob Welsh reported on a legislative issue being proposed again to reduce the taxation of military retirement. Currently the first \$2500 (legislated in 1984) of military retirement is tax exempt. They are trying to get legislation that would raise the exemption to 12,500 in fiscal year 2019, \$25,000 or 75% which ever is greater, in fiscal year 2020, and the full military retirement the following year. Currently for individuals over 65 years of age Arizona ranks 35th and for veterans under 65 we rank 42nd. There are 18 states in the Union that currently exempt military retirement from taxation.

Another issue being proposed is to stop the deportation of honorably discharged veterans, who came to the U.S. and joined the service, but never became citizens. When they committed a minor infraction of the law and it was discovered that they were never U.S. Citizens, they have been deported. This legislation would stop this practice.

Judy Hatch gave a final report on Pearl Harbor Day. The day was a huge success, with the highlights being the three plane flyover and an 87 year old woman who was 12 on December 7, 1941 and lived in Hawaii with her family as her father was stationed there. She reported what she remembered from that day in history.

The installation of new Board of Directors and officers was conducted.

Members were reminded of the upcoming Maricopa Stand Down February 7-10. Volunteers are still being sought.

Next Saturday, January 14th there will be a "Forgotten Victory" program in Chandler highlighting the Korean War Veterans.

There being no further information to come before the organization, closing ceremony was conducted and the meeting was ended at 12:10 p.m.

ARIZONA STATE VETERANS HOME – TUCSON (ASVH-TUCSON) 2016-2017 REPORT

Ladies,

The Christmas party at the Arizona State Veterans Home-Tucson was fantastic! We are so grateful to report to you that every resident at the home received gifts from the auxiliary. Each one was given a gift bag full of goodies from socks, lap blankets, cologne, cards, and jewelry. The Department also provided a special Christmas Card to each and every veteran, which is an annual tradition. Then there was a table of clothing for them to select. One veteran said he felt he was at the mall. There were volunteers serving, feeding, and transporting residents from their room to the party and back. Very few residents stayed in their rooms, but if they did their gifts were delivered to them with goodies and food. It was a wonderful day at the home. Many family members told me to tell the auxiliary, "Thank you for caring so much for our veterans and us, especially this time of year."

Once again, thank you so much, with your donations we were able to provide gifts, and a luncheon. The veterans were so happy. Thank you, Santa Claus. After lunch the veterans each went to Santa Claus to receive his or her gift. We had the Community Room, main entrance of the home, and the Chapel packed. We also served cake to honor the birthdays in December. Just to see their smiles and mingling made all well worth it. Some veterans were moving around showing off their gifts and going up and down in their wheelchairs, it was a site to see. Thank you volunteers from American Legion Auxiliary Units 7, 59, 68, 73, 109, SAL 68 and AMVETS Auxiliary 770.

February 23	Rodeo – Residents get to view the parade since the parade passes by the home. Need volunteers to move the residents in their wheelchairs to the parade (just the other side of the fence). The home will provide a BBQ and live country music. Our dream is to someday have them participate in the parade since the parade route passes by the home.
The third Tuesday	Monthly Birthday Cake and Ice Cream social - need auxiliaries to host and provide cakes and ice cream at these socials. Your unit can solely host the social or have two units share the social. Please remember this event is held year around.
