

Schoolwide Learning Outcomes

SLOs

John R. Wooden High School
students will...

Academic Achievement

- ⇒ Demonstrate proficiency in reading comprehension, writing and communication skills across the curriculum.
- ⇒ Relate prior learning to new concepts and standards as well as observe, analyze, and formulate conclusions from a wide variety of sources.
- ⇒ Compute, analyze, and apply mathematical concepts.

Citizenship

- ⇒ Know the rights, duties, and privileges of citizenship locally and globally.
- ⇒ Demonstrate and support the school's values of achievement, participation, and leadership.
- ⇒ Exhibit responsible behavior in the coordination and implementation of school and community outreach projects.

21st Century Skill

- ⇒ Explore and integrate tools and strategies to engage in a connected, technology-rich society.
- ⇒ Achieve career readiness through application of critical thinking skills, collaborative efforts, and creative approaches to problem solving.
- ⇒ Apply STEAM concepts to explore and produce solutions to real world problems.
