

WINDSOR TRANSPORTATION CLUB

HIGHWAY CARRIER NIGHT

Thursday, November 1, 2018

“Highway Carrier Night” is an annual dinner event organized by the Windsor Transportation Club that brings together key stakeholders representing a wide cross-section of the transportation industry interested in learning and networking on trucking-related matters.

This year’s event will focus on the impact of the legalization of cannabis on the trucking industry, with a focus on cross-border travel. A timely and important discussion!

It will also be an evening to celebrate the Windsor Transportation Club’s commitment to community, by honouring this year’s scholarship recipients and the Drouillard Place (charitable recipient of proceeds from 2017 Lobster Fest).

Tickets: \$60/Person

To reserve your tickets, please send email by October 24 to: windsortransportationclub@gmail.com
