NVSUA Zone Info for Game Assignments

Please fill this form out completely.

For the towns that do not pay at the fields I will be using the address listed in the NVSUA address book. I hope you made sure that your address and info are listed correctly.

It is also important that I have you home and cell number.

A work number would also be helpful.

If you umpire HS games, please send me a copy of your schedule with locations of your games.
