President's Letter

The TCMAFC Summer Business Meeting was held on Saturday, August 21, at the home of Phil and Mary Zins. The weather was cool, but everyone had a wonderful time. Phil and Mary were wonderful hosts, and the food was delicious! Thank you!

Four cars drove from the Twin Cities area to the Pontiac/Detroit area for the Michigan Roundup, put on by the Oakleaf Region. The trip was Aug 9-17, with the actual event lasting 3 days, from Aug 12 – 14. The Michigan folks were great hosts, and very welcoming to our Minnesota group. Steve and Leah Barnacle led the tour, followed by Thom Boche, Marc, Jackie and Matt Rude, and Lee Oster with Evelyn Desmet, and their cars.

The summer Third Thursday touring season, sponsored by Rog Anderson and Lynne Groven, is almost done for this year. Ken Schindeldecker led the seven car August tour through Hastings, Mn., and then through Hager City Wi. The ice cream and dinner were great! And the tour had a great flow to it! There MAY be one additional tour in September. Rog is looking for someone to guide the tour!

Scott Huberty hosted the Yellowstone Trail event in Hudson, on July 31st, and it was a very good event. There were 17 Model As, along with many MGs and Fifties cars. Many people took advantage of the beautiful day to look at our cars and ask questions to learn more about them. We'll be back to this event next year!

Send your pictures to Mark Leder for the Photo Contest!! Contact Mark with any questions!

The Great Northern Tour has been scheduled for October 4-8, 2021, and is filling up quickly! There are about 35 cars, with roughly 70 people ready to travel! There are a few more openings. Additional information may be found in this edition of the newsletter. Contact Doug Persing if you have any concerns and/or questions.

We are looking for Club members to be on the Club Board for 2022. If you have interest to be on the TCMAFC Board for 2022, or have questions about the activity of the board, or how you may fit into the board, please contact a current board member, or any past president.

The TCMAFC Board will meet on September 14th, at 7:00 PM, via the ZOOM video conferencing platform. Anyone wishing to participate please email me and you will be added to the invitation list. All members are welcome to participate in the business meeting. Please RSVP well in advance of the date and time of the meeting. (The Board Meetings will continue to be held through the ZOOM video conferencing platform until safe for members to gather together, and when St. Michael's Lutheran Church allows the club to return.)

There are always a lot of tours and events being put together. I urge all of you to be involved with club events, and other events hosted by our members. Drive!! We'll see you down the road! Stay safe. Stay healthy. Enjoy! **Thom**

Twin Cities Model A Ford Club
August 21, 2021 Monthly Business Meeting Minutes

The August 21, 2021 TCMAFC Business Meeting was called to order at 1:09 p.m. by Thom Boche at the home of Phil and Mary Zins

BOARD MEMBERS PRESENT- President – Thomas Boche, Vice President – Doug Persing, Senior Board Member – David Peterson, Treasurer - Mel Eder
TCMAFC Members Present – Linda Boche, Deb Persing, Phil and Mary Zins, Marc and Jackie Rude, Roger Welch, Bob and Roberta Butek, Dave and Cathy Kieger, Matt and Maria Reed (new members), Jerry and Nancy Schilling, Mark and Sue Leder, John Roehl

President Thom Boche thanked Phil and Mary Zins for hosting the event.

LAST MONTH MINUTES:

The June 19, 2021 Business Meeting minutes were reviewed and a motion to approve the minutes as published in the Aoogah Newsletter was made by Dave Peterson, seconded by Doug Persing. The motion was passed by a unanimous vote. The July Business Meeting minutes were not reviewed, as no minutes were created. The Business meeting was not conducted in July because there was no quorum.

TREASURER REPORT The June and July Treasurer's Report were each reviewed. The Miscellaneous Income of \$215.00 should be in Current Income, which will be corrected on next months Treasurer's Report. A motion was made by Dave Peterson to accept the treasurers report, with the correction that was noted, and was seconded by Doug Persing and passed by unanimous vote.

COMMITTEE REPORTS

MEMBERSHIP REPORT: 5 new members were presented by Roberta Butek

Art Feyereisen of Hudson, WI.; John Freppert of St Paul, MN; Joseph and Susan Daley of Minnetonka, MN., Steven Young of Proctor, MN; and Matthew and Maria Reed of Plymouth, MN (who were present at this meeting!)
A motion was made to approve the new members by Mel Eder, and was seconded by Doug Persing. The motion was passed by unanimous vote

MEN'S CLINIC: Dave Peterson has clinics lined up for the year. Need volunteers. Dave asked Mark to put this request in the next few newsletters

WOMEN'S CLINIC: Still looking for a Women's Coordinator

TOOLS: Thom Boche mentioned that Steve Barnacle has no tools out, and all tools are accounted for, at present.

FASHION: Still looking for a Fashion Coordinator

SUNSHINE LADY: Mark Leder mention that 5 club members passed away recently – Roy Blakely, Wayne and Cindy Brown, Harold Sneen. Concerning arrangements for Jim Bateman – Mark talked to Jimmy Slettehaug nephew of Jim Bateman, who explained that there will be a memorial service on September 25 in Plymouth, MN (information will be in the newsletter)

NEWSLETTER: Mark Leder states all is going well.

CALENDAR OF EVENTS - On Saturday (9/11) Osceola, WI is having the annual air show/car show. On Sunday (9/26) an event in a Hopkins Nursing Home will take place. Complete information will be in the newsletter.

UNFINISHED BUSINESS:

Update of filing of amendment to Article 5.2

Thom Boche brought us up to date, stating that the State of Minnesota has received the paperwork on this Amendment and that the TCMAFC is in good standing.

Update Great Northern Tour - There are roughly 35 cars so far and about 70 people attending. There is room for more people to sign up. There are people from Minnesota, Iowa and Wisconsin and maybe Michigan that are attending. Contact information is in last month's Aogah Newsletter, or you may contact Doug Persing with any questions.

Update Yellowstone Trail Event - The TCMAFC was well represented with 17 cars in this first time (for the Club) event. There also were roughly 40 MGs, and 40 Fifties cars at the event. This event should be on everyone's calendar for next year. A big thank you goes to Scott Huberty on a wonderful job coordinating the efforts.

Update on the Michigan Round Up - Marc Rude gave us a summary of this event.

It was held in Pontiac/Detroit, Michigan area. Four cars from the TCMAFC took the SS Badger ferry from Wisconsin to Michigan and also the Lake Express ferry back from Michigan to Wisconsin after the three day event. The event was well coordinated with roughly 200 people and 70+ cars. The TCMAFC will be invited to come back next year. Next year the Michigan Roundup will be in Escanaba, MI.

NEW BUSINESS:

UPDATE ON THE THIRD THURSDAY SUMMER TOURS – Bob Butek stated that

Ken Schindeldecker led the tour. The tour started out at the Target in Inver Grove Heights, drove down to Hastings and then over to Hager City, WI., where the tour stopped for ice cream and, later, had dinner. There may be a tour in September and Roger Anderson is looking for someone to lead the tour.

UPDATE ON ZOOM MEETINGS – The ZOOM platform license expires at the end of December. Doug and Thom will look into other options, with additional options, potentially looking at allowing more than one specific host. This is tabled until next month.

UPDATE ON THE 2021 FALL CLINIC – St. Michael's Lutheran Church has not yet made a decision as to allowing large groups into the church, due to Covid restrictions. Currently only 10 people would be able to attend Business meetings, and a maximum of 42 people for the monthly clinics. The Club also may be asked to change the week or day of the week for the meetings. The Club is awaiting a decision by the church board.

Nominations Banquet/Annual Meeting Banquet – The tentative dates for the Banquets have been released. However, they will need to be adjusted to allow for the 30 day timeframe between nominations and the Election/Annual Meeting Banquet. There will be more information regarding the dates in the Newsletter.

Nominations for 2021 Lifetime Membership and Spark Plug Award – Nominations will be accepted beginning October 1st. The Aogah Newsletter will have an announcement for nominations. As a reminder, all nominations for Lifetime Membership and/or Spark Plug Awards must be in writing, and handed to, emailed to, or texted to a TCMAFC Board member.

A motion to adjourn was made at 2:07 p.m. by Mel Eder and second by Doug Persing. The motion was passed.

The Yellowstone Trail Event

This was the first year that TCMAFC participated in the celebration of the Yellowstone Trail in the town of Hudson Wisconsin. Thru the hard work of organizing our participation, Scott Huberty was able to secure one of the nicest spots for our seventeen cars to be on display on a cool grassy section of land with the river a hundred or so yards away. There was member support from those who did not make the drive in thier A's , a nice few hours in this small town with outdoor lunch choices in the nearby cafe's and quaint shopping gave us all a pleasant way to spend part of the day. There were two other special interest car clubs also displaying cars near our space and the cars were a hit with those people visiting Hudson this day. Our own club member was featured in the Hudson Star Observer newspaper with a nice photo as Jim Perry won first place in the car show with his 1929 Town Sedan. This event will certainly be of interest next year to the club after this positive experience.

Third Thursday Tour *by Lois Agrimson*

I invite you to take a journey with me, close your eyes for a few minutes and envision ninety three miles of winding county roads passing by acres and acres of lush green landscape. Brilliant wildflowers and black-eyed Susans are abundant. Cattle are grazing contently while calves are enjoying the sun drenched day next to their protective mothers. Multicolored bluff after bluff appears to be reaching the clear blue sky. We follow the Thrimbelle River for miles along the road. Water cascades above the rocks sending out reflective lights. Next to the road fields and fields of corn and soybeans are flourishing. They will produce a bountiful harvest this fall. Neatly kept farmsteads appear, many of those yards are adorned with old farm equipment. The colors are faded on the equipment, but the memories of the work and production of this equipment is precious to the families. The vistas from the highest hills are awe inspiring as autumn will produce a canvas of splendid color. As we travel on it is time for an ice cream stop at the Hager Heights Drive Inn. Our journey then continues onward to produce endless beautiful sites for picture taking. Our final stop is for a delicious supper at the Valley Grill located between Prescott and Ellsworth Wisconsin. Seven Model A with twelve travelers made this journey on August 19th led by Ken Schindeldecker. This fantastic summer tour just left us wishing for more! Thank you for joining me on a virtual tour

With sadness and gratitude for their friendship and services to our club we are announcing that these club members have recently passed, condolences to their family and hoping their memories gives the families comfort.

Harold Sneen, Roy Blakekey, Wayne and SandyBrown

The family of James Bateman would like the members of TCMAFC to know that a memorial service honoring his life will be held on Saturday, September 25th. at the Church of the Epiphany 4900 Nathan Ln N, Plymouth, MN 55442. Service at 11:00 A.M with a light lunch following. Jim would have been very honored to know that Model A's were present at his memorial service . Let's try to make this happen.

August Business Meeting

We were hosted by Phil and Mary Zins at their home in Golden Valley on a pleasant Saturday afternoon. The club business was transacted and a very nice lunch was served with members sharing various food dishes. We were able to check up on the current project stage Phil is on with his coupe. He has built a rotisserie fixture to manipulate the car to begin the restoration of sheet metal. A big Thank You for the Zins and to each of the members for sharing pot luck lunch items and the friendship opportunities.

Spark Plug Award and Lifetime Award

Each year any member may submit a member in good standing for the consideration of the these two awards. The details for the qualifications for these awards are explained in the membership roster and Lifetime Award consideration is submitted to the President and the Past Presidents committee of the club. The Spark Plug Award is submitted to the current board members. The number of awards in either class are not automatically awarded, the board or committee meets and will review the submissions.

Clinic Presentations *(when they resume)*

Should anyone have clinic presentations as a result of current projects or of their special interests and are willing to present please contact Dave Peterson our Clinic Coordinator. Should you feel challenged as to using photos, powerpoint or presenting, help can be provided .

We have a few month left to create photos and the Great Northern Tour will have many good photo opportunities. Please get to work and get some photos for this contest. As previously mentioned we have a new category for young children, grandchildren and your neighbors children to submit photos. Those aged 16 years and younger may submit. Each member family my submit 3 photos per member and 3 for significant other / spouse and 3 photos for the childrens category.

Jim's Tech Tip

by Jim Cannon

Working Around Your Car's Battery

Whenever working on the electrical parts of your car, it is a good idea to de-energize everything to prevent an accidental short circuit. For example, one of the horn wires in "hot" all the time, so any time you do anything with the horn cover, it's a good idea to disconnect the battery. The same is true of the brake light switch and the wires inside the instrument panel in the car.

If you have a fuse on the yellow wire that comes off of the starter switch, just removing the fuse will do the trick. Or if you have a battery cut-off switch on the car, that will kill the power to everything.

But in many cases you need to disconnect the ground strap from the battery in order to make sure everything is without power. Perhaps you need to remove the starter cable, or the battery itself. Whenever you remove cables from the battery posts, it is a really good idea to cover the battery post with something to prevent accidental contact between it and the other battery post.

For example, if you dropped a wrench or other tool while working around or above the battery, it could land on top of the battery touching both posts. This will short out the battery, which can be a really big problem, resulting in a fire or perhaps the battery exploding acid all over.

When you buy a new battery for most cars today, they are sold with one or two small plastic caps over the battery posts. I see them in red and black plastic. If you go to your local auto parts store, the people there may even give you a few of these caps, if you ask.

I keep several of them in my box of battery-related tools and things, to put over the posts of any battery I am working around. It is easy to do and only takes a minute.

Take a minute to be safe. Enjoy! And Have a Model A Day! Jim

Help is Needed

A very unfortunate life changing event has seriously impacted Tom Wesenberg a well known Twin Cities Model A enthusiast. He has suffered the complete loss of his home and personal possessions as the result of fire consuming everything. A Go Fund Me page has been set up by the Model A Community from all the grateful people Tom has helped and advised. The link for donations is: <https://www.gofundme.com/f/tom-wesenberg-fire-assistance-fund>

The Aoogah Newsletter has earned the 2020 Marc Award of Continuing Excellence

With the help of your contributions of content, photos, story ideas and club event participation we continue to have a club to be proud of and share in many rewarding activities involving our common interests in the Model A Ford.
