Bit Scouts

Become a coding master!

Learn amazing skills like animation, game design,
and app invention, and earn awesome badges too!

Join us for Orange County's most amazing after school program
- Coding for Kids!

From the coolest video games to your favorite movies, code is
used to create incredible projects in the real world. And now,
you can learn how to use code, too.

This session, you'll learn to use code to create games, animations,
interactive stories, and more!

Both new and returning students are welcome. New students will
learn coding basics from our expert instructors, while experienced
coders will apply their knowledge to add awesome features to
their projects.

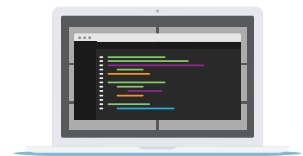

Coding for Kids - Workshop

2nd - 6th grade

6 weeks / \$105
