

**F**irst St. John Lutheran Church and Day School is pleased to be able to partner with Lutheran Social Services of Northwestern Ohio in offering a series of educational and

informational workshops on some of the vital issues that our families may be encountering in dealing with the challenges and changes brought about by having children enrolled in Day School. Whether your first or your fifth, each child has his/her own unique needs when taking their first steps along the path of growing into the wonderful person that God intends them to become and parents pray that they will attain.

On Thursday, October 4 at 6:15 p.m. we will have a free program on **“Bullying and The Bully: Prevention and Response.”** This will be given by Mr. Brady Mertens, MA LPC, Clinician, from Lutheran Social Services. Childcare and dinner will be provided.

LSSNWO is a faith based social service agency that has been changing lives in the Northwestern Ohio and Southeastern Michigan area for more than 100 years. Assisting communities within a 24 county area, LSSNWO touches the lives of thousands of people each year through a variety of services - providing **hope, compassion and stability** to those in need.

If you would like to attend, please fill out the RSVP slip below and return it to the Day School or Church Office. You may also send an email to [fsjdayschool@firststjohn.com](mailto:fsjdayschool@firststjohn.com) with the required information included. For more information, please see either Pastor Rayl or call Carol Felderman at 419-691-6480. (Our October Workshop will be about bullying.)
