

FROM THE PRESIDENT

I am writing this article (a week late) on my phone while I sit and watch some skilled woodsmen remove 20 trees from my garage and sheds. I know we all have similar stories and am thankful that none of our GaSCar family had any injuries. With the loss of power, inaccessible gasoline and groceries, and our seasonal warm temperatures, it is easy to understand people's despair. We met for classes at Augusta University yesterday for the first time after the storm and all of my students who were able to attend class just looked numb. We get used to a certain way of life and are never prepared for sudden changes. Times like these remind me that it is easy for people to lose hope. Through a lens of hope I see neighbors helping each other, communities feeding each other, and churches helping people put their lives back together. Because of the hope that God has given us, I have perspective that shows me how blessed we are during times like these. Things could have been so much worse.

If you are reading this and need help that GaSCar can provide, please reach out to me. If you know of someone we can help, please let us know.

We are looking forward to meeting at Fox Appliance next week, 10/15/2024, for our annual Casserole Dinner. If you plan to attend but can't bring a dish to eat, just let me know and we will work it out.

Until we meet next week, God bless.

Scott Wilkes
